

The Jeffersonian, THURSDAY, APRIL 16, 1868.

nor At a meeting of the Phœnix Fire Company, held on the 8th of April, 1868, it was

Resolved, That, hereafter, the bell should be tolled for all meetings of the Company In case of a fire the beil will be rung.

Dor One of the heaviest snow storm of the season fell on Thursday night and on Friday last. The snow lay some eight inches on the level. The snow storm brought with it a perfect avalanche of pigeons, which gave our hunters rare sport for several days. The woods in the neighborhood are said to be still filled with pigeons.

OFFICE OF THE HOPE EXPRESS Co.,) STROUDSBURG, April 13, 1868.

On and after this date all Express Freight going south must be at the office by 9 o'clock, A.M., and all going north by 12 o'clock (noon), to insure its transportation on the same day.

JOHN N STOKES, Agt., April 16.-2t.

Messrs. Bush & Brother have just who moved to town. Mr. McFall will received a new and splendid stock of carry on the milling business. goods, which the public should, by all a large stock of first-class groceries, and designs keeping a Hotel. intend, in the future, to combine the Grocery with the Dry-Goods business. Give them a call. They sell cheap, and Hotel, has become the proprietor, and you are always sure to get a first-rate ar ticle for your money.

We are under obligations to Col. "George W. McFarland, for a copy of the Annual Report of the Superintendent of Metzger, in Tannersville. the Soldiers' Orphans. It is a pamphlet filled with matters of great interest, from has taken possession of the Analomin which we shall take occasion, in the fu Hotel, near the Depot. Good accommo ture to call copious extracts for our rea dations will be found by all who patronders.

Dr. Lugol of Paris, one of the most eminent chemists of Europe, says, when lodine can be dissolved in pure

all chronic diseases.

Communion Wine. We have been shown specimens of sa

ramental or pure juice wine, prepared by Mr. Alfred Speer of Passaic, N. J., out of the Port Grape, which he cultivates in this country. In taste it assimilates to port, without its heating qualities, be ing absolutely free from spirits further than its own fundamental affords. Preference is given to it over all ather wines in New York and other hospitals as a tonic, gentle stimulant, diuretic and su dorific. Mr. Speer has been nine years experimenting in the production of this wine, and the newest wine he sells 18 four years old, of which our druggists have got in a supply.

1st of April Changes.

> slashing time they must have had of it Our correspondent "Observer," so well exposes the blackguardism of the concern, and so thoroughly routes its array of pretended facts, that we find but little left for us to notice. One point made by our neighbor strikes us so comically that we can not forbear noticing it. He says-" The publisher of the Jeff. not being able to attend to the editing of his paper himself hires," it done. Now, if this were true, it would, certainly, be a perfectly legitimate transaction ; and as hiring presup poses paying, the articles would become his, in fact and in law. Admit the charge and we claim that we have always used our own property, in our efforts to cater to the public, and have never dealt in stolen goods. The case, with our neighbor

one.

is somewhat different. Ever since the Democrat fell into his hands, he has kept his leading columns well filled with leaded articles, of the best quality the Demoeratic market afforded. He was not "able to attend to the editing of the paper himself," nor was he willing to hire a "non lescript," or any other script to do it for him. But there the articles were. And how, reader, do you suppose they got there ! Why, our neighbor stole them body and breeches, from his exchanges, and foisted them upon his subscribers as his own productions, as a reference to the files of the New York World, and papers of like kidney, will show. Occasionally there was an effort at patch-working, but, as with the article under consideration that kind of plagiarism, in his hands, al ways proved a failure-the tips of the long ears of the animal always showing themselves above the covering.

voting."
