MAKE WAY!
GOOD NEWS FOR ALL
IN SHAPE OF
New Goods at Stormville.

THE subscriber takes pleasure in informing the public, that he has just opened the largest and best selected stock of Goods, at his old stand in Stormville, Pa., ever brought into Monroe county, and that he has determined to dispose of them at prices, much cheaper than they can be bought at any other establishment, whether in town or country. His stock comprises, in almost endless variety, and of the best quality.
DRY GOODS,
NOTIONS,
HARDWARE,
QUEENSWARE,
GROCERIES,
DRUGS, MEDICINES, &c., &c.

He has, also, on hand a very large assortment of new and fashionable
Boots and Shoes,
both city and home-made, all of which he will dispose of at prices which will make purchasers wonder. Look at a few of the prices at which I am really giving away goods, and you cannot fail to be convinced that my store, in Stormville, is the place at which to secure real bargains:
PRINTS from 9 to 12 1/2 cents per yard,
MUSLINS from 12 to 15 " yard,
DE LANES from 18 to 22 " yard,
and all Woolen goods at figures proportionately low.
Boots and Shoes very low—home-made at least 50 per cent. below Stroudsburg prices.
SUGARS from 10 to 17 cents per pound,
MOLASSES from 50 cts. to \$1 per gal.
In short, all articles in my line far below the monopoly prices which have heretofore prevailed.
The excitement growing out of these great reductions has already begun, but come one, come all, my stock will always be found full up to the demand.
BUTTER, EGGS, and country produce generally will not be refused in exchange for goods, and the highest market prices allowed.

BLANK LEASES
For Sale at this Office.

The peculiar taint or infection which we call **SCROFULA** lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, fifth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children, unto the third and fourth generation;" indeed, it seems to be the root of Him who says, "I will visit the iniquities of the fathers upon their children." The disease originates (take various names, according to the organs it attacks. In the lungs, Scrofula produces tuberculosis, and finally Consumption; in the glands, swellings which suppurate and become necrotic sores; in the prostate and ureters, discharges which produce induration, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous disorders leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "taint of the flesh" health, you cannot have scrupulous disease.

Ayer's Sarsaparilla
is compounded from the most efficient antiseptic and medicinal ingredients has been discovered for this afflicting disease, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indubitably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blisters and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weakness, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in Ayer's American Almanac, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. These cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to special pains in preparing a remedy which is adequate to its cure. This we now offer to the public under the name of **AYER'S SARSAPARILLA**, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alternative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by a constant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL.
The World's Great Remedy for Coughs, Colds, Whooping Cough, and for the relief of Consumptive patients in advanced stages of the disease.
This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.
