

During the two months ending on the 11th inst., 81,781 immigrants arrived at Castle Garden. When we remember that large numbers have also arrived at Boston, Baltimore, Philadelphia, and the Southern ports, the figures become astounding.

The wife of Edward A. Pollard, of Virginia, had Mr. Pollard and Miss Crotty arrested on Tuesday for assault and battery. In her complaint she charges Pollard with having consumed her means in supporting himself, and then deserting her. In reply he says she is a maniac through jealousy.

#### UNION MOWER & REAPER.

(A combination of different patents.)  
IT COMBINES MORE VALUABLE features and will better meet the wants of Farmers than any Machine ever invented. Has been in use for the past seven years, and has proved a perfect success. Can be worked successfully on rough and stony land, and is the most durable machine in use. Has a loose pole and no pressure on the horse's neck. Has an elevating lever for raising the bar. The bar can be retained at any required height without the assistance of the driver, and can be secured for transportation. The Cut-r-bar, in front of driver, is mounted on wheels which reduces the friction, and by means of which the height of cut can be regulated. The patented draft arrangement prevents side draft, and enables the Cutters to pass in and out of furrows with ease and safety. The Guards are of malleable iron, steel faced; are placed near to either on the Bar and form a protection to the Cutters, and are warranted not to break. The Bar and Frame are raised at the same time and obstructions passed, between the wheels, as high as the axle. The working parts and Bar always retain the same relative position; there is, therefore, no unnatural strain or wear on the gearing or knife bar, as is the case in other machines. Every machine is warranted.

#### A MOST SUCCESSFUL AND WONDERFUL INVENTION!

#### NEW METHOD OF WASHING CLOTHES WITHOUT LABOR.

THE AUTOMATIC CLOTHES WASHER & BOILER. It has been thoroughly tested and pronounced Unequaled as a CLOTHES WASHER by the Thousands who have it in use.

RECOMMENDATIONS:  
HAMILTON, MOYCOCK CO., Pa., }  
May 10, 1868.

Having thoroughly tested the "Automatic Clothes Washer," a new invention, and one of the most successful and wonderful inventions of the day, I am satisfied that, as a clothes washer and boiler, it has not its equal. It is self-acting, and dispenses with most of the labor of washing, and, nearly, if not quite, all the wear of clothes so objectional in old plans. Having fully tested this boiler in my family, I can recommend it as one of the greatest improvements of the kind. As regards labor-saving, and clothes-saving, there is no invention that can equal it. Instead of washing-day being a dread to housewives, with this machine, this heretofore arduous work of a whole day will be reduced to two or three hours easy work.  
ABRAM LEVERING.

We, the undersigned, having seen the "Automatic Clothes Washer" thoroughly tested fully concur in the foregoing recommendation of Judge Levering.

#### SPECIAL NOTICE

TO FARMERS AND ALL PERSONS OWNING HORSES, CATTLE, SHEEP & HOGS:  
In the spring of the year when a Horse is about shedding his coat nothing will do him better service than a teaspoonful of YOUTATT'S CONDITION POWDER, every morning, well mixed with his feed.

It is in milk cows the subscriber feels confident that YOUTATT'S POWDER, as he now prepares it, will astonish all who use it, and convince the most incredulous to say that by feeding a cow one teaspoonful of YOUTATT'S POWDER once a day will so much increase the quantity and quality of the milk as to yield one pound of Butter per week more is promising much, yet we have the evidence of hundreds to prove this assertion. This increase is made by keeping the cow in a healthy condition with a good appetite.  
HOGS and SHEEP will be greatly benefited by using this powder. One of our customers says that he had 16 sheep all of which had the Distemper, and concluded he would try an experiment with YOUTATT'S POWDER—he gave half of the number the Powder, and they recovered in a short time, the rest died.

The genuine YOUTATT'S VEGETATIVE CONDITION POWDER is prepared from Youtatt's original Recipe at Hollinshead's Drug Store. All other is a counterfeit. Try it and be convinced.

RESPECTFULLY ANNOUNCE TO the public that they have opened, at their new Ware-Rooms, on Main street, in Stroudsburg, adjoining the Race, a very superior assortment of Furniture, embracing complete

both of their own and city manufacture which they will dispose of at the lowest possible prices for cash.

They are also prepared to manufacture to order, any and every thing in their line, from a single piece of furniture up to a complete outfit from garret to cellar, all of the best seasoned timber, and by the best of workmen. They do not claim to be the only Furniture dealer in Stroudsburg who has a license to sell Furniture, but having paid a license and established themselves in business they are determined to do full justice to all who patronize them. Their stock of lumber embraces all the kinds of wood employed in cabinet-making, and was selected with regard to quality than to price.

Remember that we can supply full suites either of our own or of city manufacture; though we prefer filling the former, because greater justice can be done thereby to purchasers.
