

DDRESS TO THE NERVOUS AND A Debilitated, whose sufferings have been protracted from hidden causes, and whose cases require prompt treatment to render existence desirable: If you are suffering. or have suffered, from involuntary discharges, what effect does it produce upon your general health ? Do you teel weak, debilitated, rasily tired ? Does a little extra exertion produce palpitation of the heart ! Dees your liver, or urinary organs, or your kidneys, frequently get out of order ! Is your urine sometimes thick, milky, or flocky, or is i ropy on settling ! Or does a thick scum rise to the top! Or is a sediment at the bottom after it has stood awhile! Do you have spells of short breathing or dyspepsia Are your bowels constipated ! Do you have spells of fainting, or rushes of blood to the head ! Is your memory impaired ? Is your mind constantly dwelling upon this subject? Do you feel dull, listless, moping, tired of company, of life? Do you wish to be left alone, to get away fr. m everybody ? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre "rour eye as brill ant? The bloom on your cheek as bright? Do you enjog yourself in society as well? Do you pursue your busi-ness with the same energy? Do you feel as much confidence in yourself! Are your spirits dull and flagging, given to fits of melancholy? If so, do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have but little appetite, and you attribute this to dyspepsia or liver-complaint !

Now, reader, self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation. when in perfect health, make the man. D d you ever think that those bold, defiant, energetic, persevering, successful businessmen are always those whose generative or gans are in perfect health ! You never hear no such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot SASH STOPPER & LOCK. succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look the organs inflated by running to excess.
