

ADDRESS TO THE NERVOUS AND
Debilitated, whose sufferings have been protracted from hidden causes, and whose cases require prompt treatment to render existence desirable; if you are suffering, or have suffered, from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your urine sometimes thick, milky, or floccy, or is itropy on settling? Or does a thick sediment rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnea? Are your bowels constipated? Do you have heads of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling upon this subject? Do you feel dull, listless, moping, tired of company, of life? Do you wish to be left alone, to get away from everybody? Do you feel little things make you start or jump? Is your sleep broken or restless? Is the lustrous gleam of your eye brilliant? Do you feel your cheeks as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so, do not try to force your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have but little appetite, and you attribute this to dyspepsia or liver-complaint?
Now, reader, self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man. Did you ever think that those bold, defiant, energetic, persevering, successful businessmen are always those whose generative organs are in perfect health? You never hear no such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast looks or any other meanness about them. I do not mean those who keep the organs inflamed by running to excess. These will not only ruin their constitutions, but also those they do business with or for.
How many men, from healthful excesses, have brought about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease—idioty, lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have doctored for all but the right one.
Diseases of these organs require the use of a Diuretic. HELMBOLD'S FLUID EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing.
If no treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of Posterity, depends upon prompt use of a reliable remedy.
Helmbold's Extract Buchu, established upwards of 18 years, prepared by H. T. HELMBOLD, Druggist, 594 Broadway, New York, and 104 South 10th Street, Philadelphia, Pa. Price—\$1.25 per bottle, or 6 bottles for \$6.50, delivered to any address. Sold by all Druggists everywhere.
None are genuine unless done up in steel-engraved wrapper, with the emblem of my Chemical Warehouse, and signed.
July 16.-2m.] H. T. HELMBOLD.

Ayer's
Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.
A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.
This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fanning the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
HAIR DRESSING,
nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Can you tell why it is
that when any one comes to Stroudsburg to buy Furniture, they always inquire for McCarty's Furniture Store? [Sept. 26, 1867]

Ayer's Cathartic Pills,
For all the purposes of a Laxative Medicine.
Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country, and among all classes, as this mild but efficient purgative. The obvious reason is, that it is more reliable and far more effectual remedy than any other. Those who have tried it, know that it cures them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, their sugar coating preserves them ever fresh and makes them pleasant to take, while their vegetable basis does no harm can arise from their use in any quantity. They operate by their powerful influence on the internal vessels to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body; correct the irregular action of the system; by correcting, wherever they exist, such derangements as are the first origin of disease.
For **Dyspepsia or Indigestion, Flatulency, Languor and Loss of Appetite,** they should be taken moderately to stimulate the stomach and restore its healthy tone and action.
For **Liver Complaint** and its various symptoms, **Jaundice or Green Sicknes, Bilious Colic and Bilious Fevers,** they should be judiciously used to correct the diseased action or remove the obstructions which cause it.
For **Dysentery or Diarrhoea,** but one mild dose is generally required to restore the system to health.
For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Headache and Loosess,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.
For **Dropsy and Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purgative.
For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.
As a **Dieter Pill,** take one or two pills to promote digestion and relieve the stomach.
An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageously taken when no serious derangement exists. These Pills make him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

SPECIAL NOTICE
TO FARMERS AND ALL PERSONS OWNING
HORSES, CATTLE, SHEEP & HOGS!
In the spring of the year when a Horse is about shedding his coat nothing will do him better service than a teaspoonful of **YOUATT'S CONDITION POWDER,** every morning, well mixed with his feed.
COWS.
In milking cows the subscriber feels confident that **YOUATT'S POWDER,** as he now prepares it, will astonish all who use it, and convince the most incredulous to say that by feeding a cow one teaspoonful of **YOUATT'S POWDER** once a day will so much increase the quantity and quality of the milk as to yield one pound of Butter per week more is promising much, yet we have the evidence of hundreds to prove this assertion. This increase is made by keeping the cow in a healthy condition with a good appetite.
HOGS AND SHEEP will be greatly benefited by using this powder. One of our customers says that he had 16 sheep all of which had the Distemper, and concluded he would try an experiment with **YOUATT'S POWDER**—he gave half of the number the Powder, and they recovered in a short time, the rest died.
The genuine **YOUATT'S VEGETATIVE CONDITION POWDER** is prepared from Youatt's original Recipe at Hollinshead's Drug Store. All other is a counterfeit.
Try it and be convinced.
