Notice is Hereby Given,

That every person, excepting Justices of the Peace, who shall hold an office or appointment of profit or trust under the United States or of this State or any city or incorporated district, whether a commissioned officer or otherwise, a subordinate officer, or agents who is or shall be employed under the legislative, executive or judiciary department of this State or the United States, or of any incorporate district; and also, that every member of Congress, and of the State Legislature and of the select or common council of any city, or commissioner or any incorporated district is by law incapable of holding or exercising at the same time, the appointment of Judge, Inspector, or Clerk of any election of this Commonwealth, and that no Inspector, Judge or other officer of such election shall be eligible to be then voted for.

And the said act of Assembly, entitled "an act relating to elections of this Commonwealth," passed July 24, 1830, further provides That the Inspectors and Judges shall meet at the respective places appointed for holding the election in the district to which they respectively belong, before nine o'clock in the morning of the second Tuesday of October, and each of said inspectors shall appoint one clerk, who shall be a qualified voter.

It shall be the duty of said assessors respectively to attend at the places of holding every general, special or township election during the whole time said election is kept open, for the purpose of giving information to the Inspectors and Judges, when called on in relation to the right of any person assessed by them to vote at such election, and such other matters in relation to the assessments of votes as the said inspectors or judges, or either of them, shall from time to time require.

Agreeably to the provisions of the sixty-first section of said act every General and Special election shall be opened between the hours of eight and ten in the forenoon, and shall continue without interruption or adjournment until 7 in the evening, when the polls shall be closed.

No person shall be admitted to vote whose name is not contained in the list of taxable inhabitants furnished by the Commissioners, unless first he produces a receipt for payment within two years, of a State or County tax assessed agreeably to the Constitution, and give satisfactory evidence either on his own oath or the affirmation of another that he has paid such tax, or on failure to produce a receipt, shall make oath to the payment thereof; or second if he claims a right to vote by being an elector between the ages of 21 and 22 years he shall deposit on oath or affirmation that he has resided in the State at least one year next before his application and make such proof of residence in the district as is required by this act, and that he does verily believe, from the accounts given him, that he is of the age aforesaid, and gives such other evidence as is required by this act, whereupon the name of the person so admitted to vote shall be inserted in the alphabetical list by the inspectors and a note made opposite thereto, by writing the word "tax," he should be admitted to vote by reason of having paid tax, or the word "age," if he shall be admitted to vote by reason of such age; shall be called out to the clerks, who shall make the like notes in the list of voters kept by them.

In all cases where the name of a person claiming to vote is found on the list furnished by the Commissioners and Assessors, or his right to vote whether thereon or not is objected to by any qualified citizen it shall be the duty of the Inspector to examine such person on oath as to his qualifications, and if he claims to have resided within the district for one year or more his oath shall be sufficient proof thereof, but shall make proof at least by one competent witness who shall be a qualified elector that he has resided within the district for more than ten days next preceding such election and shall also himself swear, that his bona fide residence in pursuance of his lawful calling is within the district, and that he did not remove in said district for the purpose of voting therein.

Every person qualified aforesaid, and who shall make due proof, if required of his residence and payment of taxes aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

If any person not qualified to vote in this Commonwealth, agreeably to law except the sons of qualified citizens, shall appear at any place of election for the purpose of issuing tickets or influencing the citizens qualified to vote, he shall on conviction forfeit and pay any sum not exceeding one hundred dollars, for every such offence, and be imprisoned for any term not exceeding three months.

Pursuant to the provision contained in the 6th section of the act aforesaid, the Judges of the aforesaid district shall take charge of the certificate or return of the election of their respective districts and produce them at a meeting of the judges from each district at the Court House in the Borough of Stroudsburg, on the third day after the day of election, being for the present year on FRIDAY the 16th day of OCTOBER next, then and there to do, and perform the duties required by law of said judges. Also, that where a judge by sickness or unavoidable circumstances, is unable to attend said meeting of Judges

then the certificate or return as aforesaid shall be taken charge of by one of the Inspectors or clerks of the election of said district, who shall do and perform the duties required of said judge unable to attend.

Also, that in the 51st section of the said act it is enacted that "when two or more counties shall compose a district for the choice of member or members of the Senate of this Commonwealth, or of the House of Representatives of the United States or of this Commonwealth, the judges of the election in each county, having met as aforesaid, the clerks shall make out a fair statement of all the votes which shall have been given at such election within the county, for every person voted for, as such member or members, which shall be signed by said judges and attested by the clerks, and one of said judges shall take charge of said certificate and shall produce the same at a meeting of one judge from each county at such place in such districts as is or may be appointed by law for such purpose, which meeting shall be held on the seventh day after the election, being for the present, on Tuesday the 13th day of October, at the Court House in Stroudsburg, Monroe county, for the Representative return judges, then and there to perform the duties required by law of the aforesaid Assembly District.

Ayer's Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Paded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,
nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Ayer's Cherry Pectoral,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs, that in their most obstinate form it will yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear. *Singers and Public Speakers* and great protection from it.

Whoever is always relieved and often wholly cured by it.

Whoever is generally cured by taking the Cherry Pectoral in small and frequent doses. So generally are its virtues known that we need not publish certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,
For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does Cure, and does not Kill. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral substance, it does whatever it is nowise injurious to any patient. The number and importance of its cures in the ague districts, are literally beyond account. It has been used without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Unnumbered persons, either resident in, or travelling through miasmatic localities, will be protected by taking the AGUE CURE daily.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing the most remarkable cures, where other medicines had failed. Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all around the world.

SPECIAL NOTICE
TO FARMERS AND ALL PERSONS OWNING HORSES, CATTLE, SHEEP & HOGS!

In the spring of the year when a Horse is about shedding his coat nothing will do him better service than a teaspoonful of YOUTT'S CONDITION POWDER every morning, well mixed with his feed.

COWS.

In milking cows the subscriber feels confident that YOUTT'S POWDER, as he now prepares it, will assist him all winter, and convince the most incredulous to say that feeding a cow one teaspoonful of YOUTT'S POWDER once a day will so much increase the quantity and quality of the milk as to yield one pound of Butter per week more in promising hands, yet we have the evidence of hundreds to prove this assertion. This increase is made by keeping the cow in a healthy condition with a good appetite.

HOGS and SHEEP will be greatly benefited by using this powder. One of our customers says that he had 16 sheep all of which had the Distemper, and concluded he would try an experiment with YOUTT'S POWDER—he gave half of the number the Powder, and they recovered in a short time, the rest died.

The genuine YOUTT'S VEGETATIVE CONDITION POWDER is prepared from Youtt's original Recipe at Hollinshed's Drug Store. All other is a counterfeit.

Try it and be Convinced.

Ayer's Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Paded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,
nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Ayer's Cherry Pectoral,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs, that in their most obstinate form it will yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear. *Singers and Public Speakers* and great protection from it.

Whoever is always relieved and often wholly cured by it.

Whoever is generally cured by taking the Cherry Pectoral in small and frequent doses. So generally are its virtues known that we need not publish certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,
For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does Cure, and does not Kill. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral substance, it does whatever it is nowise injurious to any patient. The number and importance of its cures in the ague districts, are literally beyond account. It has been used without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Unnumbered persons, either resident in, or travelling through miasmatic localities, will be protected by taking the AGUE CURE daily.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing the most remarkable cures, where other medicines had failed. Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all around the world.

PRICE, \$1.00 PER BOTTLE.

SPECIAL NOTICE
TO FARMERS AND ALL PERSONS OWNING HORSES, CATTLE, SHEEP & HOGS!

In the spring of the year when a Horse is about shedding his coat nothing will do him better service than a teaspoonful of YOUTT'S CONDITION POWDER every morning, well mixed with his feed.

COWS.

In milking cows the subscriber feels confident that YOUTT'S POWDER, as he now prepares it, will assist him all winter, and convince the most incredulous to say that feeding a cow one teaspoonful of YOUTT'S POWDER once a day will so much increase the quantity and quality of the milk as to yield one pound of Butter per week more in promising hands, yet we have the evidence of hundreds to prove this assertion. This increase is made by keeping the cow in a healthy condition with a good appetite.

HOGS and SHEEP will be greatly benefited by using this powder. One of our customers says that he had 16 sheep all of which had the Distemper, and concluded he would try an experiment with YOUTT'S POWDER—he gave half of the number the Powder, and they recovered in a short time, the rest died.

The genuine YOUTT'S VEGETATIVE CONDITION POWDER is prepared from Youtt's original Recipe at Hollinshed's Drug Store. All other is a counterfeit.

Try it and be Convinced.
