SPECIAL NOTICE
TO FARMERS AND ALL PERSONS OWNING HORSES, CATTLE, SHEEP & HOGS!

In the spring of the year when a Horse is about shedding his coat nothing will do him better service than a teaspoonful of **YOATT'S CONDITION POWDER**, every morning, well mixed with his feed.

COWS.
In milking cows the subscriber feels confident that **YOATT'S POWDER**, as he now prepares it, will astonish all who use it, and convince the most incredulous to say that by feeding a cow one teaspoonful of **YOATT'S POWDER** once a day will so much increase the quantity and quality of the milk as to yield one pound of **Butter** per week more in promising much, yet we have the evidence of hundreds to prove this assertion. This increase is made by keeping the cow in a healthy condition with a good appetite.

HOGS and SHEEP will be greatly benefited by using this powder. One of our customers says that he had 16 sheep all of which had the Distemper, and concluded he would try an experiment with **YOATT'S POWDER**—he gave half of the number the powder, and they recovered in a short time, the rest died.

The genuine **YOATT'S VEGETATIVE CONDITION POWDER** is prepared from **Yoatt's** original Recipe at **Hollinshead's Drug Store.** All other is a counterfeit.
Try it and be Convinced.

Ayer's Cherry Pectoral,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything been so widely and so extensively used as this excellent remedy for pulmonary complaints. Through a long course of years, and among most of the races of men, it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a protection against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, it should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. No complete cure of its nature over the disorders of the Lungs and Throat, that the most obstinate of them yield to, and which could not be cured under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it. *Asthma* is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses. So generally are its virtues known that we need not publish the certificates of cure, or more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,
For Fever and Ague, Intermittent Fever, Chills, Periodical or Bilious Fever, &c., and indeed all the various diseases which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does *Cure*, and does not *Give*. Containing neither Arsenic, Quinine, Benzoate, nor any other mineral or poisonous substance whatever, it in no wise injures any patient. The number and importance of its cures in the most difficult cases, is hereby beyond account; and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unsubdued persons, either residents in, or travelers through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

PRICE, \$1.00 PER BOTTLE.
Sold by Druggists and Dealers everywhere and by W. M. HOLLINSHEAD, and by DREHER & RRO, Stroudsburg, Pa.

EMERALD DENTIST.
Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incurable artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, either wise or inconvenient and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.
