Ayer's Cathartic Pills,

tried it, know that it cured them: those who have not, know that it cures their neighbors and friends, and all know that what it does once it does alway.

—that it never fails through any fault or neglectof its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them.

Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their

pæs, nor is it a Syrap—and therefore can be used in cases where fever or inflammation exists. In this, you have the knowledge of the ingredients and the mode of preparation.

For Eiver Complaint and its various symptoms, Bilious Hendache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be ju-diciously taken for each case, to correct the diseased action or remove the obstructions which cause it. For Dysentery or Diarrhosa, but one mild

dose is generally required.
For Rheumatism, Gout, Gravel, Palpi-Buck and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints

as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists.

One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the diges-DR. J. C. AYER & CO., Practical Chemiste,

#### Ayer's Sarsaparilla, YOR PURIFYING THE BLOOD.

The reputation this exseemed saturated with corruption, have been purified and cured by it. disorders, which were ag-gravated by the scrofu-lous contamination until

be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfeit tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirros State of the Uterus, and all complaints incident to the sex, whether arising from habits of dissipation, imprudence in, or the decline or change of life.

Intermediate Fluid Extract Bucht and Implementation on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tuber cless may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by emptions on the skin, or foul ulcerations on some part of the body. Hence the octation are some part of the body and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, a plantile forms of sex may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by emptions on the skin, or foul ulcerations on some part of the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, a plantile, or it is hideous forms, and all complaints the notice of the other of the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, and the lungs or its hideous forms, it has lungs or its hideous forms, or it shows the fattening process at least 100 per cent. This powder has proved an excellent article for sheep. Be sure you get the discussion, rapidly develop into one or other of its hideous forms, into one or other of its hideous forms, and the inter or it shows the lungs or its house large in your swell barrel will hasten the heart or its hideous forms, interfered to the lungs or its hideous forms, interfered the coat soft and shining form the heart or its hideous forms, in the lungs or its hideous forms, interfered the coat soft and shearing them, on each good on the lungs or its hideous forms, in the lungs or its hideous forms, in the lungs or its hideous forms, and the lungs or its hideous forms, and the lungs or it

tion of the country, that the public scarcely need-to

lar and nervous systems.

Byphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions procure the remedy at once.

The reader must be aware that, however ses, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Dioretic. HELMBOLD'S EXTRACT BU.

CHU is the great Dioretic.

BLANK MORTGAGES

For restoring Gray Hair to

Ayer's

its natural Vitality and Color. A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thick-

ened, falling hair checked, and baidness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the bair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor out only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it dees not soil white cambric, and yet laste long on the hair, giving it a rich glossy, lustre and a grateful perfusie.
