Ayer's Cherry Pectoral.

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption. Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them. Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of these ailments, if treated with this medicine, under the Cherry Pectoral they subside and disappear. Singers and Public Speakers find great protection from it. Asthma is always relieved and often wholly cured by it. Tracheitis is generally cured by taking the Cherry Pectoral in small and frequent doses. So generally are its virtues known, that we need not publish the certificates of their benefice, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chills, Biliousness, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons. As its name implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in no wise injures any patient. The number and importance of its cures in the ague districts are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the AGUE CURE daily. For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity. For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed. Prepared by DR. J. C. AYER & CO., Practical and Analytical Chemists, Lowell, Mass., and sold all around the world. PRICE, \$1.00 PER BOTTLE.

Sold by Druggists and Dealers every where and by WM. HOLLINSHEAD, and by DREHER & RRO., Stroudsburg, Pa.

J. LANSZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Many persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted. Stroudsburg, March 27, 1862.
