**Ayer's Sarsaparilla,**  
FOR PURIFYING THE BLOOD.

The reputation of this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inverete cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this poison and unfitted tenant of the organism undermines the constitution, and invites the attack of encephaloid or fatal diseases, without exciting a suspicion of its presence. Again, it seems to brood infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its heinous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs, or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body.

The medicinal use of a bottle of this Sarsaparilla is not only a valuable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: *It is St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions of visible form of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Nervous affections of the muscular and nervous system.*

*Syphilis of General and Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhoea or Whites, Uterine Discharges, and all kinds of Leucorrhoea, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Mucous Discharges for each case of this kind, in our Annual, compiled gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Constipation or Engorgement of the Liver, and Jaundice, when arising, as they often do, from the impurities in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are *lethargic and listless, Incontinent, Sleepless, and troubled with Nervous Affections or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.**

**J. LANZ, DENTIST.**  
Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incurable artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.
