**Ayer's Sarsaparilla,**  
FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys is derived from its cures of many of which are truly marvellous. Invererate cases of Scrofulous disease, where the system is saturated with corruption, have been purified and cured by it. Scrofulous affections and discharges, which were aggravated by the serofulous contamination until cured in such great numbers in almost every section of the country, that the public scarcely needed to be informed of its virtues or any of its effects.

Scrofulous poison is one of the most destructive enemies of our race. Often, this poison and unfelt fruits of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases without exciting a suspicion of its presence. Again, it seems to be a fountain throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the solids. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or by discharges on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is as valuable a preventive as it is a cure. It is a radical cure of all the various forms of Scrofulous disease, and the various *Ulcerous* affections of the muscular and nervous systems.

*Syphilitic Taint* and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Scrofulous Disease in the Face*, *Ulcers*, and *Scrofulous Diseases*, are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Scrofulous Disease in the Face*, *Ulcers*, and *Scrofulous Diseases*, are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint.

**GOOD NEWS FOR ALL**  
IN SHAPE OF  
**New Goods at Stormville.**

The subscriber takes pleasure in informing the public, that he has just opened the largest and best selected stock of Goods, at his old stand in Stormville, Pa., ever brought into Monroe county, and that he has determined to dispose of them at prices much cheaper than they can be bought at any other establishment, whether in town or country. His stock comprises, in almost endless variety, and of the best quality.

**DRY GOODS,**  
**NOTIONS,**  
**HARDWARE,**  
**QUEENSWARE,**  
**GROCERIES,**  
**DRUGS, MEDICINES, &c., &c.**

He has, also, on hand a very large assortment of new and fashionable  
**Boots and Shoes,**  
both city and home-made, all of which he will dispose of at prices which will make purchasers wonder. Look at a few of the prices at which I am really giving away goods, and you cannot fail to be convinced that my store, in Stormville, is the place at which to secure real bargains:

PRINTS from 9 to 12 1/2 cents per yard,  
MUSLINS from 12 to 15 " " yard,  
DE LANES from 18 to 22 " " yard,  
and all Woolen goods at figures proportionately low.

Boots and Shoes very low—home-made at least 50 per cent. below Stroudsburg prices.

SUGARS from 10 to 17 cents per pound,  
MOLASSES from 50 cts. to \$1 per gal.  
In short, all articles in my line far below the monopoly prices which have heretofore prevailed.

The excitement growing out of these great reductions has already begun, but come one, come all, my stock will always be found full up to the demand.

BUTTER, EGGS, and country produce generally will not be refused in exchange for goods, and the highest market prices allowed.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, owing to the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.
