> Ayer's Cherry Pectoral, For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma,

and Consumption. Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long eries of years, and among most of the races of en it has risen higher and higher in their estimacharacter and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to mikler forms of disease and to young children, it is at the same time the most effectual remedy that can be given for inciplent consumption, and the dan-gerous affections of the throat and lungs. As a pro-vision against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, air should be provided with this antidote for them
Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Poetoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pec-toral they subside and disappear. Singers and Public Speakers find great pro-

Asthma is always relieved and often wholly cured by it. Bronchitis is generally cured by taking the Charles D. Brodhead, Jacob Stouffer, Cherry Pertoral in small and frequent doses.
