Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine so universally required by everybody as a cathartic, nor any so universally adopted into use, in every country and among all ages and conditions of life, as Ayer's Cathartic Pills. The obvious reason for this is, that it is a more reliable and far more efficient remedy than any other purgative. It is not only safe, but it is pleasant to take, and its action is so gentle and uniform, that it may be taken with safety by anybody. Their sugar coating preserves them from fresh and makes them pleasant to take. They are not only safe, but they are also powerful in their action. They operate by their powerful influence on the internal system to purify the blood, and remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their healthy tone and action. Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:-

For Dyspepsia or Indigestion, Lassitude, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach, and support its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice, or Green Sickness, Dropsical Swelling of the Feet, Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action, or remove the obstructions which cause them.

For Dysentery or Diarrhoea, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as directed, until the disease is cured and the system fully renovated.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression the system should be taken as it produces the desired effect by sympathy.

As a **Dinner Pill,** take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. It is also an advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills relieves him from the effects of indigestion and renovating effect on the digestive apparatus.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation of this excellent medicine is well known. It is derived from its cure, many of which are truly marvellous. It cures all cases of Scrofulous disease, where the system is morbidly saturated with corruption, have been purified and cured by it. Eruptions of the skin, and all other disorders, which were aggravated by the scrofulous taint, are cured by its use.

Scrofulous disease is one of the most destructive enemies of our race. It often, in its more advanced stages, tends to the organization of the constitution, and involves the attack of endemic or fatal diseases, and without exciting a morbid action, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its fatal forms, either on the surface or among the vital. In the latter, tubercles may be suddenly deposited in the lungs or other organs, or ulcers formed in the liver, or other parts of the body. Hence the occasional use of a medicine of this nature, is not only a preventive, even when no active symptoms of disease appear. Persons afflicted with the following complaints, especially find immediate relief, and gain length of life, by the use of this **SARSAPARILLA: St. Anthony's Fire, Itch or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears,** and other eruptions, or visible forms of Scrofulous disease. Also in the more concealed forms of Scrofulous disease, such as **Heart Disease, Fits, Epilepsy, Neuritis,** and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate troubles by any medicine. But long continued use of this medicine will cure the complaint. **Leucorrhoea or Whites, Uterine Discharges, and Gonorrhoea,** are cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. **Elevation and Gout,** when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also **Zoster, Complicated Tetter, Congestion or Inflammation of the Liver, and Jaundice,** when arising, as they often do, from the same cause. It purifies the blood. **This SARSAPARILLA** is a great restorer for the strength and vigor of the system. Those who are **Lemiasis, Scrofulous, Dyspeptic, Sleepless,** and troubled with **Nervous Prostrations or Fevers,** or any of the affections mentioned in this notice, will find immediate relief and convincing evidence of its restorative power upon trial.

Prepared by **DR. J. C. AYER & CO., Lowell, Mass.,** Practical and Analytical Chemists. SOLD BY ALL DRUGGISTS EVERYWHERE.
