The undersigned, having gone into the Broom Business, would notify the public, most respectfully, that he is prepared, with the best and latest improved machinery, and the best quality of material, to manufacture  
**Brooms, Whists, and Small Brooms**  
for children, in a manner superior to anything in that line ever offered for sale in Monroe County at wholesale and retail, a little below city prices. He is also prepared to furnish to order, at short notice  
**Broom Machines, Handles, Wire & Twine**  
all of the best, and warranted to give satisfaction.  
The use of one of my Brooms will settle the fact, beyond all dispute, that better can be obtained from me, than can be procured in the city.  
To the Farmers of Monroe County, he would say that they can now find a home market for all the broom Corn they can raise, and each farmer should strive to raise enough for his own use and have some left to sell. Those desiring seed to plant can always find an abundance of the best quality of Seed by calling on the undersigned.  
The undersigned will, also, attend to SAW FILING at the shortest possible notice, and from his experience in this branch of business, he flatters himself that he cannot fail to give perfect satisfaction.  
Before purchasing elsewhere, persons will most certainly advance their interests by calling and examining my stock of Brooms.  
Country Produce taken in exchange. Don't forget the place, on Franklin Street, opposite Wm. Huntsman's Livery Stable.
