UNION MOWING MACHINE, (MANY THOUSAND OF THEM IN USE.)

Is the highest of perfection. Light, easy draft, simple in construction, neat and accurate in workmanship, convenient to operate, perfectly adapted to cut on salt marsh, uneven hill-side or lawn. The working parts and Bar always retain the same relative position; there is, therefore, no unnatural strain or wear on the gearing or knife bar, as is the case in other machines. Those who have used it pronounce it the most durable Machine made. Price \$120. Repeat attached \$160. June 15, 1871.

BULLARD'S IMPROVED HAY TEDDER.

IMPORTANT IMPROVEMENTS!!

The experiments and public trials of the past season satisfied all who witnessed them that the Bullard Tedder was the only one operated that would thoroughly spread all kinds of Hay, on rough and smooth ground, "taking it up from the bottom, and leaving it in a light feecy condition for drying."

It is the only machine for turning and spreading hay that is of light, easy draft on one horse. Its use enables, the farmer to cut, cure, and store away hay in one day, and adds 20 per cent to value of crops. A large farmer says: "its use in a single season will more than pay its cost. The enterprising farmer will not, cannot do without it; the longer he puts off buying, the poorer he will be." Price \$80. June 15, 1871

EAGLE HAY RAKE.

A light, easy working and very simple Rake. Will do all that is required and costs but little. Price \$35. June 15, 1871.

It is a great Labor-Saving Plow, and what every Farmer, Planter and Gardener needs in cultivating all crops that require hilling, and which are planted in hill or drills.

Holds easy, runs steady, and is not liable to clog.

Works different widths of rows by using it with the long or short wings, thus making a large or small hill as may be desired, \$19.

Helmbold's Compound Fluid Extract Catawba Grape Pills are not sugar-coated, from the fact that sugar-coated Pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. The Catawba Grape Pills, being pleasant in taste and odor, do not necessitate their being sugar-coated, and are prepared according to rule of Pharmacy and Chemistry, and are not Patent Medicines.
