Probably never before in the whole history of medicine, has anything wen so widely and so deeply upon the confidence of mankind, as this excellent tenedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has riscu higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the large and throat, have made it known as a reof the hings and throat, have made it known as a re-hable protector against them. While adapted to mider forms of disease and to young children, it is at the same time the most effectual remedy that can st the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all case searchines subject to colds and coughs, all clouds he provided with this antidote for them. Although settled Consumption is thought incurable, still great numbers of cases where the discase seamed settled, have been completely cured, and the patient restored to sound health by the Cherra Pectoral. So complete is its mastery over the disorders of the Lungs, and Throat, that he nest obstinate of them yield to it. Ayer's Ague Cure,

As its name implies, it does Cure, and does not it. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cares in the ague dis-tricts, are literally beyond account, and we believe triers, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the AGUE CURE daily.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thick-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor cau only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
