Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Incurable cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this poison and unfit tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcers on some part of the body. Hence the occasional cure of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints, generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Ross or Erysipelas, Scald Head, Scald Neck, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Erysipelas, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhoea or Whites, Uterine Ulcerations, and Female Diseases, are completely relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This Sarsaparilla is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Depressed, Sleepless, and troubled with Nervous Affections or Fevers, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.

BULLARD'S IMPROVED HAY TEDDER.

IMPORTANT IMPROVEMENTS!!

The experiments and public trials of the past season satisfied all who witnessed them that the Bullard Tedder was the only one operated that would thoroughly spread all kinds of Hay, on rough and smooth ground, "taking it up from the bottom, and leaving it in a light feecy condition for drying."

It is the only machine for turning and spreading hay that is of light, easy draft for one horse. Its use enables the farmer to cut, cure, and store away hay in one day, and adds 20 per cent to value of crops. A large farmer says: "its use in a single season will more than pay its cost. The enterprising farmer will not, cannot do without it; the longer he puts off buying, the poorer he will be." Price \$80. June 15, 1871.
