

A GREAT MEDICAL DISCOVERY
DR. WALKER'S CALIFORNIA
VINEGAR BITTERS
 Hundreds of Thousands
 Bear Testimony to their Wonderful
 Cures in all cases of Biliousness,
WHAT ARE THEY?

They are not a vile
FANCY DRINK.
 Made of Pure Rum, Whiskey, Proof Spirits
 and Refuse Liquors distilled, spiced and sweet-
 ened to please the taste, called "Tonics," "Appetiz-
 ers," "Restorers," &c., that lead the sufferer on to
 drunkenness and ruin, but are a true Medicine, made
 from the Native Roots and Herbs of California, free
 from all Alcoholic Stimulants. They are the
GREAT BLOOD PURIFIER and a LIFE
GIVING PRINCIPLE a perfect Renovator and
 invigorator of the system, eradicating all poisonous
 matter and restoring the blood to a healthy condition.
 No person can take these Bitters according to direc-
 tion and remain long unwell.
 \$1.00 will give you an accurate case, provided
 the bones are not destroyed by mineral poison or
 other means, and the vital organs wasted beyond the
 point of repair.

For Inflammatory and Chronic Rheuma-
atism and Gout, Dyspepsia, or Indigestion,
Dropsy, Remittent and Intermittent Fevers,
Disorders of the Blood, Liver, Kidneys, and
Bladder. Such Diseases are cured by Viciated
Blood, which is generally produced by derangement
of the Digestive Organs.
DYSPEPSIA OR INDIGESTION, Head
ache, Pain in the Shoulders, Coughs, Tightness of the
Chest, Disinnes, Etc., Irritations of the Stomach,
and all the Complaints, Bilious Attacks, Flatulency
of the Stomach, Inflammation of the Lungs, Pain in the
regions of the Kidneys, and a hundred other painful
symptoms, are the offspring of Dyspepsia.
 Very important to the stomach and stomachs the ter-
 rible liver and bowels, which render them of unequalled
 efficacy in cleansing the blood of all impurities, and
 imparting new life and vigor to the whole system.
FOR SKIN DISEASES, Eruptions, Tetter, Salt
Itch, Itch, Freckles, Pimples, Boils, Car-
cinoma, Ringworms, Scald-head, Sore Eyes, Erysip-
elas, Ulcers, Discolorations of the Skin, Humors
and Diseases of the Skin, of whatever name or nature,
 are literally dug up and carried out of the system in a
 short time by the use of these Bitters. One bottle in
 such cases will convince the most incredulous of their
 curative effect.
 Cause the Viciated Blood whenever you find it
 to putrid budding through the skin in Pimples, Erup-
 tion or Sores; cleanse it when you find it obstructed
 and sluggish in the veins; cleanse it when it is foul,
 and your feelings will tell you when. Keep the blood
 pure and the health of the system will follow.
FIN, TAPE and other WORMS, lurking in the
 frame of so many thousands are effectually destroy-
 ed and removed. For full directions, read carefully
 the circular around each bottle, printed in four lan-
 guages—English, German, French and Spanish.

Ayer's
Hair Vigor,
 For restoring Gray Hair to
 its natural Vitality and Color.

A dressing which
 is at once agreeable,
 healthy, and effectual
 for preserving the
 hair. Faded or gray
 hair is soon restored
 to its original color
 with the gloss and
 freshness of youth.
 Thin hair is thick-
 ened, falling hair checked, and baldness
 cured by its use. Nothing can restore the
 hair where the follicles are destroyed,
 or the glands atrophied and decayed.
 But such as remain can be saved for
 usefulness by this application. Instead
 of fouling the hair with a nasty sedi-
 ment, it will keep it clean and vigorous.
 Its occasional use will prevent the hair
 from turning gray or falling off, and
 consequently prevent baldness. Free
 from those deleterious substances which
 make some preparations dangerous and
 injurious to the hair, the Vigor can
 only benefit but not harm it. If wanted
 merely for a

HAIR DRESSING,
 nothing else can be found so desirable.
 Containing neither oil nor dye, it does
 not soil white cambric, and yet lasts
 long on the hair, giving it a rich glossy
 lustre and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co.,
 LOWELL, MASS.
 PRICE \$1.00.

 burg, and all Druggists and all dealers in

1. The Committees on the various kinds of

 ments are instructed to keep in view the use-
 fulness of the implements to the Farmer, ra-
 ther than the workmanship thereof.

 cles, will award such premiums as they may
 think proper, on all articles of merit which
 have not been provided for in the general
 schedule.
 4. The various Committees are requested to
 be careful to NOTICE all articles exhibited in
 their respective Classes, whether entitled to
 premiums or not.
 5. If they award a distinct premium on any
 article, they will not take the same article in
 consideration in a general display.
 6. The members of the various Committees
 will come together at the Secretary's Office, on
 Wednesday, the 27th of September, at 2 o'clock,
 p. m. precisely, in order to proceed to business.
 And it will prevent much confusion if they will

 a list of the different articles and the premiums
 offered, under the heads for which they are
 respectively appointed.
 7. The Chairman of the different Committees
 are instructed to make their reports to the
 Reviewing Committee or Secretary, as soon as
 possible, in order that the full report may be
 ready by the time it will be publicly read.
 The report must be in at 10 o'clock on the
 morning of Friday, September 29th.
 8. The various Committees are requested to
 mark with an X, each article as it is examined,
 so that the same article may not receive more
 than one premium.
 9. No person can act as a member of an
 Awarding Committee on an article or animal in
 which he or she has any interest; but must
 withdraw while such article or animal is being
 examined.
 10. Where there is no competition, the with-
 holding of the premiums shall be at the discre-
 tion of the Judges; and in no such instances
 shall they make an award unless the article be
 of superior merit, usefulness or ingenuity. And
 in no case shall a premium be awarded for an
 inferior article or unsound animal.

 quested to make their entries of articles, with full

 petition must have been owned by the competi-
 tor at least thirty days before the Fair; and all

 display, nor shall any one article receive more
 than one premium.
 7. For all stock exhibited, hay, straw and
