

Supposed Recovery of a Stolen Boy.

Between three and four years ago, a boy about nine years of age, the son of Mr. Ludwig Lang, who resides over the canal, mysteriously disappeared. Search was made for him everywhere, but without avail, and he was given up for dead. Time passed on, and the occurrence had almost been forgotten, when, a week or two ago, a card appeared in this paper from the Postmaster at Saylorsburg, Pennsylvania, announcing that a boy, supposed to belong to Cincinnati, had been found near that place working on a farm. The card was copied into one of the German papers, and there met the eye of Mr. Lang. He addressed a letter to the Postmaster, and received a reply which fully satisfied him that he had obtained a clue to his lost one. He again wrote, asking that the boy be returned to this city, and received in reply the following letter:

SAYLORSBURG, Pa., July 16, 1871.

Mr. Ludwig Lang: DEAR SIR—I received your letter on the 14th instant, and saw your son last evening, and gave the letter to him. "He says if you want him to go home he will do so. He is working for a farmer; has a good place, and likes it. He has been in this country about a year, but I did not get to see him until I wrote to you. The man he is working for likes him very well, and would like to keep him a while longer."

"If you want him to come home you can send a draft for the amount of his fare, and a few dollars for spending money on the road. "The boy was coaxed away from home by a beggar-woman, and he used to beg for her along the road. At Bethlehem, Pennsylvania, he ran away from her, and came to this country. If you are in want of any further information it will be thankfully given you. Yours, &c., DAVID SAYLOR."

The Public Debt statement for July is an encouraging one. The decrease in the debt for the month is \$8,701,676.92, which is a fair average diminution. Since March 1st, 1869, the debt has been reduced \$242,134,402, a splendid amount for a nation yet recovering from the disastrous effects of a civil war to pay off. Can anything better than this be hoped from a political change in the Government?

The total production of pig iron in the United States in the year 1870 was 1,800,000 tons—in addition to which 200,000 tons were imported, almost exclusively from England making the total consumption in the country 2,000,000 tons. The production and consumption of pig iron in the civilized world in 1867 is stated at 9,500,000 tons.

The Surveyor General has given notice that all liens against unpatented lands in this State will be sued on and after the 1st day of December, 1871.

CHOLERA.

At the commencement of the Diarrhoea, which always precedes an attack of the Cholera, take a teaspoonful of the Pain Killer in sugar and water, (hot if convenient), and then bathe freely the stomach and bowels with the Pain Killer. Should the diarrhoea or cramps continue, repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

HON. GEORGE SANDERSON, Mayor of the city of Lancaster, Pa., writes: "MISHLER'S HERB BITTERS is extensively known and used, and so successful are its curative powers that it has become as familiar a household word and a necessary addition in the medical requirements of every family. Having used it myself and knowing others who have used it with beneficial results, I can only say that in my opinion it is the best remedy ever introduced for the cure of the numerous ailments to which flesh is heir."

Hon. Thaddeus Stevens, M. C., recommending Mishler's Herb Bitters to a friend, pronounced it the most wonderful combination of medicinal herbs he ever saw. August 3, 1871.—1m.

The undersigned, having gone into the Broom Business, would notify the public, most respectfully, that he is prepared, with the best and latest improved machinery, and the best quality of material, to manufacture Brooms, Whists, and Small Brooms for children, in a manner superior to anything in that line ever offered for sale in Monroe County at wholesale and retail, a little below city prices. He is also prepared to furnish to order, at short notice all of the best, and warranted to give satisfaction. The use of one of my Brooms will settle the fact, beyond all dispute, that better can be obtained from me, than can be procured in the city. To the Farmers of Monroe County, he would say that they can now find a home market for all the broom Corn they can raise, and each farmer should strive to raise enough for his own use and have some left to sell. Those desiring seed to plant can always find an abundance of the best quality of Seed by calling on the undersigned. The undersigned will, also, attend to SAW FILING at the shortest possible notice, and from his experience in this branch of business, he flatters himself that he cannot fail to give perfect satisfaction. Before purchasing elsewhere, persons will most certainly advance their interests by calling and examining my stock of Brooms. Country Produce taken in exchange.
