Ayer's Hair Vigor,
 For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,
 nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Ayer's Cherry Pectoral,
 For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men, there has been a higher and higher estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a protection against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided for them by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.
Doctors and Public Spectators find great protection from it.
 Asthma is always relieved and often wholly cured by it.
 Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses, so generally are its virtues known, that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,
 For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and in fact all the affections which arise from malarious, marsh, or miasmatic poisons.
 As its name implies, it does Cure, and does not fall. Contains neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance, whatever, it in no wise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. One pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the AGUE CURE daily.
 For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.
 For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed. Prepared by **DR. J. C. AYER & CO.,** Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.
PRICE, \$1.00 PER BOTTLE.
 Sold by W. HOLLINSHEAD, Stroudsburg, and all Druggists and all dealers in Medicine everywhere.

FARMERS,
 NOW IS THE TIME TO USE

Yonatt's Condition Powder.
 In the Fall and Winter when your cows give but little milk this powder is sure to increase the quantity and improve the quality. For horses, it increases the appetite, promotes digestion, exhilarates the spirits, renders the coat soft and shining. For Hogs one package in your swill barrel will hasten the fattening process at least 100 per cent. This powder has proved an excellent article for sheep. Be sure you get the

A GREAT MEDICAL DISCOVERY
DR. WALKER'S CALIFORNIA
VINEGAR BITTERS

Hundreds of Thousands Bear testimony to their Wonderful Curative Efficacy.
WHAT ARE THEY?
 They are Genuine Purely Natural Tonic, prepared from the purest and most valuable medicinal ingredients, and are the most powerful and reliable of all the medicinal preparations.

THEY ARE NOT A WILE
FANCY DRINK.
 Made of Pure Rum, Whiskey, Proof Spirit and Refuse Liquors, spiced and sweetened to please the taste, called "Tonic," "Appetizer," "Restorer," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and a LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

\$100 will be given for an incurable case, provided the bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.
For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia, or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Head ache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.
 Cleanse the Vitiated Blood whenever you find its impurities manifesting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
PIN, TATTS and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular round each bottle, printed in four languages—English, German, French and Spanish.

UNION MOWING MACHINE,
 (MANY THOUSAND OF THEM IN USE.)

Is the highest of perfection. Light, easy draft, simple in construction, neat and accurate in workmanship, convenient to operate, perfectly adapted to cut on salt marsh, uneven hill-side or lawn. The working parts and Bar always retain the same relative position; there is, therefore, no unnatural strain or wear on the gearing or knife bar, as is the case in other machines. Those who have used it pronounce it the most durable Machine made. Price \$120. Reaper attached \$160. June 15, 1871.

BULLARD'S IMPROVED HAY TEDDER.

IMPORTANT IMPROVEMENTS!!
 The experiments and public trials of the past season satisfied all who witnessed them that the Bullard Tedder was the only one operated that would thoroughly spread all kinds of Hay, on rough and smooth ground, "taking it up from the bottom, and leaving it in a light fleecy condition for drying."
 It is the only machine for turning and spreading hay that is of light, easy draft for one horse. Its use enables the farmer to cut, cure and store away hay in one day, and adds 20 per cent to value of crops. A large farmer says: "its use in a single season will more than pay its cost. The enterprising farmer will not, cannot do without it; the longer he puts off buying, the poorer he will be." Price \$80. June 15, 1871.

EAGLE HAY RAKE.
 A light, easy working and very simple Rake. Will do all that is required and costs but little. Price \$35. June 15, 1871.

BETTS' HILLING PLOW.

It is a great Labor-Saving Plow, and what every Farmer, Planter and Gardener needs in cultivating all crops that require hilling, and which are planted in hill or drills.
 Holds easy, runs steady, and is not liable to clog.
 Works different widths of rows by using it with the long or short wings, thus making a large or small hill as may be desired. \$19.
