

A Chance to make Money!
One Hundred Dollars from One Dollar.
A sure thing and no Deception.
Every person owning HORSES, CATTLE, SHEEP and HOGS are guaranteed to make One Hundred Dollars by using a One Dollar Package of
"YOUTATT'S CONDITION POWDER,"
manufactured by WILLIAM HOLLINSHEAD, Stroudsburg. If you have never used it try a Package and if it does not benefit your stock to the amount of one hundred dollars, in your estimation, call at the store and get your money refunded.
HORSES.—It will give them a good appetite, keep their skin loose and renders the coat soft and shining, keeping them in good condition with one-half the feed, being thereby a saving of one-half the money.
COWS.—It makes them give more milk with one-half the feed, and if they give more milk of course you make more BUTTER, and the more butter the more money.
I have so much confidence in the Cattle Powder that I make the above offer, knowing well that it will do all that is claimed for it.

Ayer's Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.
A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.
Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
HAIR DRESSING,
nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Ayer's Cathartic Pills,
For all the purposes of a Laxative Medicine.
Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative PILL. The obvious reason is, that it is a safe, reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of the remarkable cures of the following complaints, and we need not publish them. Adapted to all ages and conditions in all climates, containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable, no harm can arise from their use in any quantity. They operate by their powerful influence on the internal viscera to purify the blood and stimulate it to healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their regular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.
Minute directions are given in the wrapper on the box, for the following complaints, which these PILLS rapidly cure:—
For Dyspepsia or Indigestion, Flatulence, Lassitude, Langor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.
For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Canalicular Biliary Stagnation, Biliousness, Biliary Colic, Bilious Stomach, Bilious Constipation, Biliousness of the Bowels, Biliousness of the Bladder, Biliousness of the Gall Bladder, Biliousness of the Urinary Organs, Biliousness of the Female System, Biliousness of the Male System, Biliousness of the Skin,
