G. W. MARRIOTT, D. D., Pastor.

A good Thing in Place.-Profes sor Schooller's address before the Teachers' County Institute, last Tuesday evening, entitled "Veal." The attendance was very there. Had they been, we trust they would month have grown a few inches out of calfdom as did those who were so fortunate as to be on hand. For such lectures are just what we all need. Show us our follies and we will flee from them.

Congress assembled at Washington on Monday last. The Hon. John B. Storm, the Representative from this district left home on Friday evening last, and was doubtless on hand in due season. John being somewhat of a sensationist, will doubtless do tions for Public Documents, and as he is the very slim show of Pork. only Democratic Representative who has done that thing by us, of late years, we give him ere lit for the deed.

A Polyglot Business .- The widespread influence of American skill and enterprise has outstripped the comprehension of Henry, Mrs. F. C. the Americans themselves. The fabrics of our mills clothe the savages of both continents. They wrap the loins of Africa, and the tawny skins of South American pampas But wider still are spread the products of our skill in medicines. A late visit to Dr J. C. Ayer & Co.'s laboratory and office i Lowell, showed us that the whole surface o the habitable globe pays its rribute there there they cater to and serve the require ments of almost all notions.
