The County Superintendency.

To the Honorable the School Directors of Monroe County: GENTLEMEN:—At the earnest and repeated solicitations of many friends of education in our County, I have consented to be a candidate for the office of the County Superintendency of Common Schools, at the election to be held in Stroudsburg, on the first Tuesday of May, 1872. If elected, I shall discharge the duties of the office, to the best of my ability, according to law; if defeated, I shall give my earnest and hearty support to the administration of the successful candidate.

The welfare of our Common Schools stands high above all personal claims and considerations, and should therefore constitute the only power that will influence and determine your minds when you come to cast your votes at the election on the first Tuesday in May. If a majority of the school directors think that my election to the office of the County Superintendency would result in an improvement of our common schools, I should serve in that capacity faithfully and cheerfully; but if a majority of the directors think that the good of our schools can best be promoted by election of the one or the other of my opponents, I shall again cheerfully abide by their decision. Feeling assured that you will make a free and intelligent choice from among the candidates that have offered themselves for your suffrages, I remain, gentlemen, Very respectfully yours, D. E. SCHEDLER.
