Much erious sickness and ed by their timely use; and every family should have them on hand for their protection and relief, when required Long experience has proved them to be the safest, surest, and best of all the Pills with which

the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleaned by Ayer's Pills, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar costing makes their pleasant to take, and preserves their virtues unimpaired for any length of time, sa that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or

occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these For Byspepsia or Endigestion, Littlessness, Languor and Loss of Appetite, they should be taken moderately to stimulate the steadach, and restore its healthy tone and action.

Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it.
