For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modera science, few are of more real value to mankind than this offeetual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually

control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Consump-tion, cured by this preparation, are public-ly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By enring Coughs. the forernmers of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and conkeep it on hand as a protection against the early and unperceived attack of Pulmonary Affections. which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of childhood, Chenry Pecronal is invaluable; for, by its timely use, multiples are rescued from premature graves, and saved to the lave and affection centred on them. It acts speedily and surely against ordinary colds, securing, sound and health-restoring sleep. No one will suffer troublesome Influenza and painful Bronchitis, when they know how easily

they can be cue-h.

Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently rehad upon as possessing all the virtues it has ever exhibited, and capable of producing cures as meansuble as the greatest it has ever effected.

No Family should be without this valuable medicine, for on the first appearance of the disorder on the wrists, between the fingers, &c., a slight application of the Oint . His stock of Cook, Parlor and Office Stoves ment will cure it, and prevent its being ta-

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and earefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."
