

Can a man get damages from his father-in-law because his wife is sick? If so, we fear there will be a rush into the law which will keep the law busy for a while. There is a man in Oregon who is determined to test the question. He says that the father and mother of his wife represented her to be in a healthy condition, but she has been sick nearly all the time since she was married, whereby he has been damaged by doctors' bills and his wife's peevishness to the extent of \$5,000.—Disappointed Benedicts will look with anxiety for the decision in this case.

### Testimony of a Prominent Physician.

"During the past eight years I have had frequent opportunities of witnessing the effect of WALKER'S HERB BITTERS upon persons suffering from Dyspepsia, Loss of Nervous Energy, Sexual Weakness, Diarrhoea, &c. I have known it to prove successful in many cases, where Allopathic, Homoeopathic and Hydropathic treatment had failed. I still continue to use it in such complaints with uniform success, and have no hesitancy in pronouncing it the most efficacious remedy yet discovered for diseases arising from a disordered Stomach, Liver, Kidneys or Bowels.

Yours, very truly,

### Very Desirable Building

Lots in East Stroudsburg for sale or exchange for Farms, by  
PEIRSON & STILLMAN,  
East Stroudsburg.  
Jan. 18, 1872-41

**WINEGAR BITTERS** are not a fancy drink, made of Pure Rum, Whiskey, Proof Spirits and Refuse Liquors, distilled, aged, and sweetened to the taste, called "Tonic," "Appetizer," "Restorer," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating the mind and body. They are easy of administration, prompt in their action, and their results, safe and reliable in all forms of disease.

**No Person can take these Bitters** according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

**Dyspepsia or Indigestion.** Headache, Pain in the Stomach, Giddiness, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitations of the Heart, Inflammation of the Lungs, Pain in the Regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. In these complaints it is equally and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

**For Female Complaints,** in young or old, married or single, at the dawn of womanhood, or in later life, these Bitters display so decided an influence that a marked improvement is soon perceptible.

**For Indurated and Chronic Rheumatism** and Gout, Dyspepsia or Indigestion, Biliousness, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Plethora, Dropsy, and other ailments, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

**They are a Gentle Purgative as well as a Tonic,** possessing also the peculiar merit of acting as a powerful agent in the removal of Congestion or Inflammation of the Liver and Viscera, without in the least deranging the system.

**For Skin Diseases,** Eruptions, Tetter, Salt-rheum, Itch, Scald-head, Sore Eyes, Erysipelas, Itch, Scalds, Discolorations of the Skin, Humors and Diseases of the Scalp, whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

**Because the Vitiated Blood** whenever you find it impure, is brought to the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is full; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

**Grateful thousands** proclaim WINEGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.

**Pain, Tape, and other Worms,** lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: "There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not only the body, but the system of the body that worms exist, but upon the diseased humors and shrunken deposits that breed these living monsters of disease. No system of medicine, no vegetable, no antibiotic, will free the system from worms like these Bitters."

**Mechanical Diseases.** Persons engaged in Painful and Menial, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, will be subject to neuralgia, rheumatism, &c. To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week as a Preventive.

**Biliousness and Intermittent Fevers,** which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Missouri, Ohio, Mississippi, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their most insidious, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and drenching rains, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and a great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is a great step towards recovery. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark, bilious, and viscid matter which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive system.

**Serofina, or King's Evil, White Swellings, Ulcers, Erysipelas, Scalded Neck, Gout, Scrofulous Inflammations, Indolent Abscesses, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c., &c.** In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

**Dr. Walker's California Vinegar Bitters** act on all these cases in a similar manner. By purifying the blood they remove the cause, and by removing away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

**The properties of Dr. WALKER'S VINEGAR BITTERS** are Aperient, Diaphoretic and Carminative, Nutritive, Laxative, Diuretic, Sedative, Counter-Irritant, Solutive, Astringent, and Anti-Bilious.

**The Aperient and mild Laxative properties** of Dr. WALKER'S VINEGAR BITTERS are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the face. Their Sedative properties play upon the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, &c. Their Counter-Irritant influence extends throughout the system. Their Diuretic properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharge through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, &c.

**Fortify the body against disease** by purifying the blood with WINEGAR BITTERS. No epidemic can take hold of a system thus fortified. The liver, the stomach, the bowels, the Kidneys, and the nerves are rendered disengaged by this great invigorant.

**Directions.**—Take of the Bitters on going to bed at night from a half to one and one-half wineglassful. Eat good nourishing food, such as beef steak, mutton chop, venison, roast beef, and vegetables, and take outdoor exercise. They are composed of purely vegetable ingredients, and contain no spirit.

**J. WALKER, Prop'r., R. H. McDONALD & CO.,** Druggists and Gen. Agts., San Francisco, Cal., and of Washington and Charleston Sts., New York. SOLD BY ALL DRUGGISTS AND DEALERS.
