By their occasional use, the blood is purified, the corruptions of the systhe blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. Thus inciplent disease is changed into health, the value of which change, when reckoned on the vast multitudes who erior it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although scarching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which there Pills rapidly cure:—
For Edyspepsia or Endigestion, Etstlessness, E.anguor and Loss of Appetite, beg should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Billions Eleaduche, Sick Elead ache. action of the system. With such change those

complaints disappear.

For Bropsy and Bropsical Swellings, they should be taken in large and frequent dosos to produce the effect of a drastic parge.

For Suppression, a large dose should be taken, as it produces the desired effect by symmetric. As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. A dressing which is at once agreeable, healthy, and effectual for preserving the hair. It soon restores juded or gray hair to its original color, with the

and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is preduced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of daudruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable, Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.
