A Strange Case.

Somebody vouches to the Louisville *Courier-Journal* for the following story:—About thirty years since there resided in the lower portion of this State a colored family, consisting of a mother and six children. They were all bitten by a rabid dog, three of the children dying with hydrophobia, the others recovering. The subject of this notice was at the time of the accident about 10 years of age, a healthy, well developed girl. Her side and arm were badly lacerated, and the wound was slow in healing. No sooner, however, had the parts healed, than she was seized with periodic paroxysms of catalespsy, which paroxysms lasted from half to one hour's duration. These spells seized her about twice a month, and were ushered in by no premonitions of an attack, and wherever she was she would fall to the ground, double herself up like a hoop, the limbs become stiff and rigid, and for twenty minutes would bark like a dog. She so closely mimics this animal that it is impossible for a stranger who hears her to distinguish her bark from that of a dog. She has had these spells regularly up to the present time. She is one of the most humble and inoffensive women, showing no disposition to injure any one during or in the absence of these spells. She has been a married woman, and has several children and grand-children. She has been a resident of Louisville for a number of years.

Barnum was in Cincinnati several days with his exhibitions, and must have swept the city of loose change. It is astonishing to witness the popularity of the circus in this country. Hundreds spend their last dime for the gratification afforded by the sight of tumbling clowns, fearless riders and nude gymnasts. The showman who first combined the museum and menagerie with the circus, understood American nature. How many hundreds attend "merely to see the animals," and yet roar at the clown's stale jokes and admire the artificial contour of Mmle Lafilligre!—When Vam Amburgh was in Troy, we heard of a man who came to town with butter and eggs, and exchanged them for coffee. Returning homeward, his eye caught sight of the flag waving from the staff surmounting the pavillion. As he "don't take no newspaper" it was the first intimation he had that a circus was there. He immediately sold his coffee, and bought a ticket. We once had a friend, who was occasionally misanthropic, and given to deerying the vanities of this world. We had often remonstrated with him, reminding him of the providential blessings he jenoyed every day.—"Bosh!" he bitterly exclaimed, "why I was never happy in my life!" And then, added ironically, "O, yes, I forgot:—about fifteen minutes, once, at a circus!"

Talk about the money that might be saved, the good that might be done, by the millions of dollars annually squandered by our countrymen, going to the circus! "You might as well whistle jigs to a milestone!"

The moral of all which is, we work a day Americans have too few holidays.—With many, the holy Sabbath, "made for man," is converted into a season of irksome labor or ascetic employments. Is there no medium between the Blue Laws and libertinism? The matter of rational amusements is worthy the attention of the State;—and for their curtailment and regulation, but in the way of suggestion and protection.—*Stillwater O. Gazette.*

"Potatoes," cried a darkey peddler in Richmond. "Hush dat racket—you distracts the whole neighborhood," came from a colored woman in a doorway—"You kin hear me, kin you?" "Hear you! I can hear you a mile.' "Tank God for dat—Is'e hollown' to be heard. Tatoes?"

VINEGAR BITTERS

VEGETABLE — FREE FROM ALCOHOL — PURELY — DR. WALKER'S CALIFORNIA — EUREKA — VINEGAR BITTERS

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week, as a Preventive.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goiter, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic and Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

The Aperient and mild Laxative properties of DR. WALKER'S VINEGAR BITTERS are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc. Their Counter-Irritant influence extends throughout the system. Their Diuretic properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, etc.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus forearmed. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassfull. Eat good nourishing food, such as beef steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.
