The testimony of our best citizens, of all classes, establishes the fact, that CHEERY PECTORAL will and does relieve and cure the afflicting disorders of the Thront and Lungs beyond any other medicine. The most dangerous affections of the Pulmenary Organs vield to its power; and cases of Consump-tion, enred by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. Prepared and sold, wholesale and retail, W. HOLLINSHEAD, Stroudsburg, Oct. 31, '67. Druggist.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED Ham to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the Best Preparation for its intended purposes."
