The Democratic congressional mountain which labored at Honesdale, on Tuessult of its labors. Hon. John B. Storm and Ex-Senator Burnet are the lovely infants. Both these gentlemen laughed at a similar result which fell to our lot two years ago. They can now see how it is themselves. 1 the Republicans are true to themselves, our District can easily be represented in Congress Ly a Republican for the next two years.

13 The Republican Senatorial Conference which met at Scranton, on Friday last, placed in nomination for Senator, J. HIXON VAN ET-TEN, Esq., of Pike Co., and Messrs. Henry W Palmer, of Wilkes-Rarre, and Lewis Pughe, o Scranton, Esqrs., of Luzerne county, as Dele gates to the Constitutional Convention.

With Mr. Van Etten, we have personal ac quaintance, and know him to be well fitted for the position to which he has been nominated. For several years he was a student under the Hon. Wm. Davis, of this place, and upon his admission to the bar, received the congratulations of the committee of examination upor the thoroughness of his legal knowledge, the evidences of the close attention he gives to every thing he takes hold of. Should the voters of the District open their eyes to their true interests and elect him, we would be represented. in the Senate for three years to come in a manner alike honorable to the Commonwealth, the District and to Mr. Van Etten himself.

With Mr. Pughe and Mr. Palmer, we are no so well acquainted, but they come before us highly recommended by the Republican breth reth of Luzerne, that we cannot avoid giving them our hearty support, and hope that every Republican, throughout the District will follow our example.

Our whole ticket is worthy of the most earnes support from the Republicans, and should re ceive the support of Democrats as well.
