

It is related of a certain minister who was noted for his long sermons, with many divisions, that one day when he was advancing among the teens, he reached at length a kind of resting place in his discourse, when, pausing to take breath, he asked the question: "And what shall I say more?"

A voice from the congregation earnestly responded, "Say amen!"

To our Friends and Patrons

We announce that at the late meeting of the Monroe County Agricultural Society, the first premium was awarded to the Estey Organ. With due regard to the energy and zeal of other parties competing for the same prize, they found their instrument, when compared with the superior merits of the Estey, to be fifth class. In other words only imitations. The style of the Estey is pleasing, its full depth of tone combines a sweetness and power that will make it a favorite in every house circle in Monroe county. The ORGAN is durable and fully guaranteed. We invite the public to call and examine or send for illustrated circular. SOLD ON EAST TERMS. J. Y. SIGAFUS. Stroudsburg, Sept. 26, 1872.

The Sixth Premium.

For six successive years the GROVER & BAKER Sewing Machine has carried off prizes at the Monroe County Fairs.

At the late meeting of the Society, it awarded the Premium to this excellent Machine for "DOING THE BEST WORK DONE ON THE GROUND." We did not import our samples from the cities, but showed the Committee the capacity of the Machine, how complete and readily every style of work could be done; sewing through nine thicknesses of heavy cloth, four thickness of leather and segar boxes; then without any change of needle or thread, sewing cambric, muslin and tissue paper.

After careful examination of the different machines on exhibition the Judges decided in favor of the working ability of the "Grover & Baker." Therefore the very best Sewing Machine for every Lady to purchase is the improved Grover & Baker. Sold on monthly instalments, with full instructions. J. Y. SIGAFUS. Stroudsburg, Sept. 26, 1872.
