

THE Lancaster Express tells of this vegetable freak: Yesterday Mr. Jacob S. Winer, of Millersville, placed upon our table the half of an ordinary sized pumpkin, from the seeds of which several small vines have sprouted. The vines are about four and five inches in length, and grew while the pumpkin was housed in the barn. We believe this is considered a remarkable freak.

L. T. LABAR & Co. Stroudsburg, Dec. 12, 1872.—3t.

To our Friends and Patrons

We announce that at the late meeting of the Monroe County Agricultural Society, the first premium was awarded to the Estey Organ.

With due regard to the energy and zeal of other parties competing for the same prize, they found their instruments, when compared with the superior merits of the Estey, to be fifth class. In other words only imitations.

The style of the Estey is pleasing, its full depth of tone combines a sweetness and power that will make it a favorite in every house circle in Monroe county.

The ORGAN is durable and fully guaranteed.

We invite the public to call and examine or send for illustrated circular.

SOLD ON EASY TERMS.

J. Y. SIGAFUS. Stroudsburg, Sept. 26, 1872.

The Sixth Premium.

For six successive years the GROVER & BAKER Sewing Machine has carried off prizes at the Monroe County Fairs.

At the late meeting of the Society, it awarded the Premium to this excellent Machine for "DOING THE BEST WORK DONE ON THE GROUND." We did not import our samples from the cities, but showed the Committee the capacity of the Machine, how complete and readily every style of work could be done; sewing through nine thicknesses of heavy cloth, four thicknesses of leather and segar boxes; without any change of needle or thread, sewing cambric, muslin and tissue paper.

After careful examination of the different machines on exhibition the Judges decided in favor of the working ability of the "Grover & Baker."

Therefore the very best Sewing Machine for every Lady to purchase is the improved Grover & Baker.

Sold on monthly instalments, with full instructions.

J. Y. SIGAFUS. Stroudsburg, Sept. 26, 1872.

VINEGAR BITTERS

VEGETABLE FREE FROM ALCOHOL

PURELY VEGETABLE

PURELY VEGETABLE

VINEGAR BITTERS

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonic," "Appetizer," "Restorer," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from Alcohol, Stimulants, and the Great Blood Purifier and Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and receive long months, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Stomach, and Bile, Dropsy, Rheumatism, and all the Diseases of the Skin, Headache, Pain in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Liver, and a host of other painful symptoms, are the offspring of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a long advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the term of these Bitters, if used as directed, will have an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Kidneys, Liver, and Bladder, Dropsy, Rheumatism, and all the Diseases of the Skin, Headache, Pain in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Liver, and a host of other painful symptoms, are the offspring of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a long advertisement.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in removing Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blisters, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scabies, Dissections of the Skin, Humors, and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle, in such cases will convince the most incredulous of their curative effects.

Clears the Vitiated Blood whenever you find its impurities lurking through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; and when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Greatful of the fact that the Bitters have sustained the most wonderful Invigorant that ever sustained the sinking system.

Chills, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Save a distinguished physiologist: "There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits which are the living monsters of disease. No system of Medicine, no verminicide, no anthelmintic, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Painting and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Mowers, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week, as a preventive.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many other, during their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal organs. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated humors. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic so pure and safe as Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time maintaining the functions of the liver, and generally restoring the healthy functions of the digestive organs.

Scalds or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Abscesses, Mercantile Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers
