THE Sixth Premium.

For six successive years the GROVER & BAKER Sewing Machine has carried off prizes at the Monroe County Fairs. At the late meeting of the Society, it awarded the Premium to this excellent Machine for "DOING THE BEST WORK DONE ON THE GROUND." We did not import our samples from the cities, but showed the Committee the capacity of the Machine, how complete and readily every style of work could be done; sewing through nine thicknesses of heavy cloth, four thickness of leather and segar boxes; then without any change of needle or thread, sewing cambric, muslin and tissue paper. After careful examination of the different machines on exhibition the Judges decided in favor of the working ability of the "Grover & Baker." Therefore the very best Sewing Machine for every Lady to purchase is the improved Grover & Baker. Sold on monthly instalments, with full instructions. J. Y. SIGAFUS, Stroudsburg, Sept. 26, 1872.
