1776. FOURTH OF JULY. 1876. Centennial Commemoration AT PHILADELPHIA.

THREE Millions of Colonists on a Strip by the Sea! NOW FORTY Millions of Freemen ruling from Ocean to Ocean! To provide for the Celebration of the CENTENNIAL ANNIVERSARY OF American Independence, WILL BE HELD ON 22D OF FEBRUARY, NEXT, The 141st Anniversary of the Birth of Washington,

ACADEMY OF MUSIC, PHILADELPHIA. Eminent Speakers will address the Convention. Reports from the Committees on Trades and Industrial Interests, and from the interior of the State, will be read. The result of the subscription to the stock of

The International Exposition, which, under the authority of Congress, has been determined to be the prominent feature of the celebration, will be definitely announced. Proof Will be Given to the World that Pennsylvania's pledge is confirmed, that there, on hallowed ground, where the nation was born, the Centennial return of the most beneficent day in the history of humanity will be commemorated with grandeur commensurate with the august event.

The Great Labor State of the Union has the honor and responsibility of leading the way—she fulfills the trust. O'er thy crags, Allegheny, a blast has been blown; Down thy tide, Susquehanna, the murmur has gone; Where the words of the Charter of Liberty first From the souls of the Sage and the Patriot burst—From the Delaware's marge to the Lake of the West—

Give Homage to the past, inspired by the immortal record of the times that tried Men's Souls, remembering WYOMING, BRANEY WINE, VALLEY FORGE, GERMANTOWN and all the blood-stained battle-fields of our soil, venerating the heroic deeds of our sires, and rejoicing in the boundless heritage bequeathed by them to us—a boon we have shared with the destitute and oppressed of all the earth, irrespective of creed or condition. Let us not forget that

Our Labor and its Fruits, are not less the admiration of the world than our equality and liberty; our combined industry, skill, wealth and power are the marvel of the age. Let us manifest this progress. Assist ye farmers, happy on your broad acres of fertile lands. Arise! ye grim and swarthy miners, from your cavernous lairs. Arouse! ye toilers in the forge, the foundry and the factory. Assemble! ye mechanics, artisans of every kind. Come all, who by work have made the

Keystone, the Paragon of States, co-operate and vindicate your greatness—show that Labor is Capital, and does truly guide and govern. The International Exhibition is designed to promote the welfare of man.

MAKE IT A SUCCESS!! PENNSYLVANIA leads. She calls—FIRST, on her children to DO THEIR DUTY before she asks her sister States to co-operate. Seats will be reserved delegations from each county of the State, and for Representative Committees of industrial interests. Application should be made early at No. 904 WALNUT street, the office of the Committee.
