

A minister in Wilton, having married a young fellow, was asked what was his price. The pastor said that the law gave him \$2. "Well," said the bridegroom, "if the law gives you \$2, there is fifty cents, so that now you have two dollars and a half," and before that parson could shut his eyes the married pair were off on their honeymoon.

in accordance with the provisions of said Act—to wit:
AN ACT to permit the voters of this Commonwealth to vote every three years on the question of granting licenses to sell intoxicating liquors.
SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That on the third Friday in March, one thousand eight hundred and seventy-three, in every city and county in this Commonwealth, and at the annual municipal elections every third year thereafter, in every such city and county, it shall be the duty of the inspectors and judges of elections in the cities and counties, to receive tickets, either written or printed, from the legal voters of said cities and counties, labelled on the outside, "license," and on the inside, "for license," or "against license," and to deposit said tickets in a box provided for that purpose by law in the case of other tickets received at said election; and the tickets so received shall be counted, and a return of the same made to the clerk of the court of quarter sessions of the peace of the proper county, duly certified as is required by law; which certificate shall be laid before the judges of said court, at the first meeting of said court after said election shall be held, and shall be filed with the other records of said court; and it shall be the duty of the mayors of cities, and sheriffs of counties, or any other officer, whose duty it may be to perform such service, to give due public notice of such special election above provided for, three weeks previous to the time of holding the same, and also three weeks before such election every third year thereafter; Provided, That this act shall not be construed to repeal or affect any special law prohibiting the sale of intoxicating liquors, or prohibiting the granting of licenses: Provided, That when the municipal and township elections in any county or city do not occur on the third Friday in March, the election provided for in this section shall be held on the day fixed for the municipal election in said county: And provided further, That all licenses granted after the first day of January, one thousand eight hundred and seventy-three, shall cease, determine and become void on the first day of April, one thousand eight hundred and seventy-three, if the district for which they shall be granted determines against the granting of license; and the treasurer of the proper county shall then refund, to the holder of such license, the money so paid therefor, for which the said treasurer shall be entitled to credit in his accounts with the Commonwealth.
SECTION 2. That in receiving and counting, and in making returns of the votes cast, the inspectors and judges of said election, shall be governed by the laws of this Commonwealth relating to general elections; and all the penalties of said election law here hereby extended to, and shall apply to the voters, inspectors, judges and clerks, voting at and in attendance upon the elections held under the provisions of this act.
SECTION 3. Whenever, by the returns of elections in any city or county aforesaid, it shall appear that there is a majority against license, it shall not be lawful for any court or board of license commissioners to issue any license for the sale of spirituous, vinous, malt or other intoxicating liquors, or any admixture thereof, in said city or county, at any time thereafter, until at an election as above provided, a majority shall vote in favor of license: Provided, That nothing contained in the provisions of this act shall prevent the issuing of licenses to druggists, for the sale of liquors for medicinal and manufacturing purposes.

HORSES.—It will give them a good appetite, keep their skin loose and renders the coat soft and shining, keeping them in good condition with one-half the feed, being thereby a saving of one-half the money.
COWS.—It makes them give more milk with one-half the feed, and if they give more milk of course you make more BUTTER, and the more butter the more money.

Our Friends and Patrons
We announce that at the late meeting of the Monroe County Agricultural Society, the first Premium was awarded to the Estey Organ.
With due regard to the energy and zeal of other parties competing for the same prize, they found their instruments, when compared with the superior merits of the Estey, to be fifth class. In other words only imitations.
The style of the Estey is pleasing, its full depth of tone combines a sweetness and power that will make it a favorite in every household in Monroe county.
The ORGAN is durable and fully guaranteed.
We invite the public to call and examine or send for illustrated circular.
SOLD ON EASY TERMS.

The Sixth Premium.
For six successive years the GROVER & BAKER Sewing Machine has carried off prizes at the Monroe County Fairs.
At the late meeting of the Society, it awarded the Premium to this excellent Machine for "DOING THE BEST WORK DONE ON THE GROUND." We did not import our samples from the cities, but showed the Committee the capacity of the Machine, low complete and readily every style of work could be done; sewing through nine thicknesses of heavy cloth, four thickness of leather and segar boxes; then without any change of needle or thread, sewing cambric, muslin and tissue paper.
After careful examination of the different machines on exhibition the Judges decided in favor of the working ability of the "Grover & Baker."
Therefore the very best Sewing Machine for every Lady to purchase is the improved Grover & Baker.
Sold on monthly instalments, with full instructions.
