Manhood: How Lost, How Restored.

Dr. Culverwell's Celebrated Essay
 on the radical cure (without
 medicine) of SPERMATORRHOEA or
 Seminal Weakness, Involuntary Seminal

 also, CONSUMPTION, EPILEPSY, and FRTS,

 travagance.

 The celebrated author, in this admirable
 essay, clearly demonstrates from a thirty
 years' successful practice, that the alarming
 consequences of self-abuse may be radically
 cured without the dangerous use of internal
 medicine or the application of the knife;
 pointing out a mode of cure at once simple,
 certain, and effectual, by means of which
 every sufferer, no matter what his condition
 may be, may cure himself cheaply, privately
 and radically.

Ayer's
Cherry Pectoral,

For Diseases of the Throat and Lungs,
 such as Coughs, Colds, Whooping
 Cough, Bronchitis, Asthma,
 and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that **CHERRY PECTORAL** will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of **Consumption**, cured by this preparation, are public-ly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing **Coughs**, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of childhood, **CHERRY PECTORAL** is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome **Influenza** and painful **Bronchitis**, when they know how easily they can be cured.
 Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.

HALL'S
VEGETABLE SICILIAN
HAIR
RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring **GRAY or FADED HAIR** to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical **HAIR DRESSING** ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the **BEST PREPARATION** for its intended purposes."
 Sold by all Druggists, and Dealers in Medicines.
 Price One Dollar.

FOR THE WHISKERS.

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded **Whiskers**, we have prepared this **dye**, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.
