

The Hon. William Allen, Democratic candidate for Governor of Ohio, was famous in his younger days for his tremendous voice. Among the many stories concerning his vocal powers is one that while speaking at Philadelphia from the deck of a steamer to a crowded assemblage on the wharf, the proprietor of a rival steamer, who was also a political opponent, sought to silence him by blowing his whistle. The steam organ screeched its loudest, but the story goes that the orator not only spoke so loud as completely to drown the noise of the whistle but was distinctly heard in all parts of the city. If the latter assertion be true, which is just a little doubtful, the coming campaign in Ohio will be a pretty noisy one if Mr. Allen takes the stump.

The happiest old lady we ever heard of resides in Mansfield, Conn. She is nearly 100 years old. Some old ladies are remarkable for this, and some for that; some for entirely new sets of teeth; some for doing the family washing when past 80; some for walking five miles to church, and some for having seen Gen. Washington. But the peculiarity of the old lady in Connecticut is that she never heard a band of music in her life. Happy and venerable dame!

Manhood: How Lost, How Restored.

Just published, a new edition of

Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of SPERMATORRHOEA or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.

Price in a sealed envelope only six cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This lecture should be in the hands of every youth and every man in the land. Sent under seal, in a plain envelope, to any address, post-paid, on receipt of six cents, or two post stamps.

MONROE COUNTY

Mutual Fire Insurance Company.

STROUDSBURG, PA.

ESTABLISHED 1844.

CHARTER PERPETUAL.

The By-Laws of this Company, and the regulations governing insurance have, recently been very materially changed, placing it upon a basis equal to that of any Fire Insurance Company in the State.

Important among these changes are the following, viz:

Policies, instead of being perpetual, are issued for five years.

All property is classified and the rate of premium is fixed according to the risk of the property.

Premium notes are taken, and all assessments are made on the notes.

Property is insured for not more than two thirds of its actual cash value, and the full amount of insurance paid in case of loss, provided the loss be equal to the amount of insurance.

"Annual assessments" only are made, except in cases of heavy loss, and where a special assessment is necessary.

The Company is therefore prepared to insure property upon terms much more desirable than under the old system.

Applications may be made to any of the Managers, Surveyors, or Secretary.
