**Ayer's Cherry Pectoral,**

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effective remedy for all diseases of the Throat and Lungs. A vast total of its virtues, throughout this and other countries, has shown that it does surely and effectively control them. The testimony of our best physicians, of all classes, establishes the fact, that Ayer's Cherry Pectoral will find relief and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Throat and Lungs yield to its power; and cases of Consumption, cured by this preparation, are public property, so remarkable as hardly to be forgotten, were they not printed beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the consequences of more serious disease, it saves thousands of lives, and an amount of suffering, which would be computed. It challenges trial, and compares favorably with the most successful. Every family should keep it on hand as a protection against the early and unexpected attack of Pulmonary Affections, which are easily met at first, but which become formidable, and too often fatal, if neglected. Tender lungs need this delicate, and it is unwise to be without it. As a sedative to children, and the all-suffering disease which beset the Throat of the young, Ayer's Cherry Pectoral is invaluable. For, by its timely use, multitudes are rescued from premature graves, and saved from the long and agonizing contest of death. Its specific and sure cure of ordinary colds, sore throat, and health-restoring sleep. No other medicine so successfully cures the most painful Bronchitis, when they know how easily they can be cured.

**HALES VEGETABLE SICILIAN HAIR RENEWER.**

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."  
 Sold by all Druggists, and Dealers in Medicines.  
 Price One Dollar.

**Buckingham's Dye FOR THE WHISKERS.**

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.
