Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are mild, pleasant, and do not produce any injurious effects. Being purely vegetable, they contain no mercury or other mineral whatever. Much serious sickness and suffering is prevented by their timely use, and every family should have them on hand for their protection and relief when required. Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and disordered into action. This important process is changed into health, the value of which cannot be reckoned on the vast numbers who enjoy it as happily as computed. Their regular use makes them pleasant to take, and preserves their strength unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although sometimes they are mild and operate without disturbance to the constitution, or do it, or to the system.

Full directions are given on the wrapper to each box, how to use them as a Family Physician, and for the following complaints, which Ayer's Pills rapidly cure:—

For **Dyspepsia or Indigestion, Headaches, neuralgia, and Loss of Appetite, Stomachic, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.**

For **Biliousness, Constipation, and its various complications, Bilious Headaches, Sick Headaches, Catarrhs of the Stomach and Bowels, Dropsical Swellings, Sore Lips, Blotches** in all their stages; for open **Felons, Burns, Ulcers,** of a scrofulous character, and for all Cancerous affections. For any external affection this **ointment** will be found preferable to all sorts of poultices, plasters and salves, in every stage of such affection.

As a Diarrhoea Pill, take one or two Pills to promote digestion and relieve the stomach. A moderate dose stimulates the stomach, restores the appetite, and invigorates the system. Hence it is often advantageous when no serious derangement exists. One who feels thoroughly well, when finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Ayer's Hair Vigor,

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. It soon restores faded or gray hair to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fooling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

Hemp & Rubber Steam Packing. I would call the attention of Blacksmiths, Wheelwrights, and others, to my assortment of all sizes of

Machine Bolts, Nuts, Washers, Lag Screws, and Bolt-ends, which I offer at New York prices. The Bolt-ends especially, being threaded and fitted with nuts by machinery, enable the Blacksmiths to furnish bolts of any length, much cheaper, and quicker, than to cut them by hand.

Call in and see my stock and Machinery. **G. SANFORD.** March 6, 1873—tf.
