Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use. Every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, purest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. This important discharge, when reckoned on the vast multitudes who enjoy good health by its operation. Their smart cathartic makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although exceedingly mild, they operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure—

The Dyspepsia or Indigestion, listlessness, Debility and Loss of Appetite, they cleanse the stomach to stimulate the stomach, and restore its healthy tone and action.

The Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Humors of Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the deranged action or remove the obstructions which impede it.

The Dysentery or Diarrhoea, but in this case is generally required.

For Rheumatism, Gout, Gravel, Pain in the Neck and Loins, they should be continued until the system is changed, the disease of the system. With such change the complaints disappear.

The Eruptions and Eruptive Swellings, they should be taken in large and frequent doses, to bring the effect of a drastic purge.

The Suppression, a large dose should be taken, until it produces the desired effect by sympathy.

As a Diarrhoeic Pill, take one or two Pills to produce digestion and relieve the stomach.

An occasional dose stimulates the stomach, restores the appetite, and dispenses its victims. Hence it is often advantageous when occasional derangement exists. One who is generally well, often finds that a dose of the Pills makes him feel decidedly better, from the cleansing and renovating effect on the digestive organs.

Ayer's Hair Vigor,
For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. It soon restores faded or gray hair to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.
