

## The Jeffersonian.

THURSDAY, JANUARY 29, 1874.

No. 28, date of October 7th, 1870. As we aquainted with this portion of our road, havdesire these numbers to complete our files we shall feel greatly obliged, and cheerfully rewe almost doubted its identity. The evi-THEO, SCHOCH, Publisher.

We are indebted to Senator Rowland, Representative Kistler, Governor Hartranft, Latta, and the Fish Commissioners of Pennsylvania for valuable public documents.

OUR "promising" young gentlemen have a wonderful capacity for "balloon juice."

Some of our young ladies, after finishing baking Sunday mornings, should not forget to dust the flour off their faces before going length but both time and space presses; and to church.

time is expected.

Where is our Constable?

By order of Official Board.

at the "Flower Garden." All the beauty and elite of Strondsburg and the village over the stream, were there on skates skimming over the glassy surface like fairies.

The Acquestnet erected by the Del. Brother Nicholson to Fleasant Bount, a neat little hamlet on the hills—once an early little hamlet on the main stage route leading from Catskill on the Hudson to Bingson and the southern tier of New York which is hung with cables of wire, is some 30 feet above high water mark and was built by the celebrated mechanical engineer. The thaw soon put an end to their sport, Roebling. It has a capacity for bouts of 140 such a gentlemen as Col. E. E. Norton, without the past season, from April 14th to No out the slightest proof, in regard to the veracing and appointed hall, and here, with many lower the stream and has been in use a number of a new and very neatly finished appeared in portant station on the main stage route leading from Catskill on the Hudson to Bingson Catslillow on the Hudson to the Monroe Democrat, of the 21st inst. The Mauch Chunk Democrat publishes the number of passengers carried built by the celebrated mechanical engineer. Nenoson to the hills—once a point of the Monroe Democrat, of the 21st inst. The Mouth Chunk Democrat publishes the number of passengers carried over the Switch Back Railroad, during village merely. Here we assisted in the dedication of a new and very neatly finished and appointed hall, and here, with many lower the slightest proof, in regard to the veracing the slightest pr vanish like a dream.

securing a great amount of good in an educational way. The Rev. A. H. Horn, delivered the very interesting, entertaining and able addresses on Tuesday and last evenings. We will endeavor to give the proceedings of the proceeding of the proceedings of the proceedings of the proceedings of the proce Institute in our next week's paper.
