**Ayer's Cathartic Pills,**

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief when required. The best, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corrutions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. Thus impetuous disease is changed into health, the value of which change when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtue unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which they rapidly cure:—  
For **Dyspepsia or Indigestion, flatulency, Langour and Loss of Appetite,** they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.  
For **Liver Complaint and its various symptoms, Bilious Headache, Sick Stomach, Jaundice or Green Stools, Piles, Hemorrhoids and Stricture,** they should be judiciously taken for each case, to remove the diseased action or remove the obstructions which cause it.  
For **Dysentery or Diarrhoea,** but one mild dose is generally required.  
For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins,** they should be continuously taken, as required, to disengage the diseased action of the system. With such change those complaints disappear.  
For **Stomachic and Dropsical Swellings,** they should be taken in large and frequent doses to produce the effect of a drastic purge.  
For **Suppression,** a large dose should be taken, as it produces the desired effect by sympathy.  
As a **Dinner Pill,** take one or two Pills to promote digestion and relieve the stomach.  
An occasional dose stimulates the stomach, lowers, restores the appetite, and invigorates the system. Hence it is often advantageous when a serious derangement exists. One who is indigestible, well, often finds that a dose of the Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
