

Waynesboro, Penn., has a haunted millery. Just the place for spirits!

The national debt was decreased \$1, \$15,211.70 in the month of January, which is gratifying.

The rattlesnake season has opened in Clinton Co. A four foot specimen was killed there last week.

At her present rate of growth, Philadelphia must soon eclipse all her rivals. Over 6,000 new buildings were built there in 1873. This is a city, in itself, and it will require the lapse of but a few years to run up an enormous aggregate from such a basis. The same rate of building would give 60,000 in the current year of that city to a million.

OF
WILD CHERRY
THE GREAT REMEDY FOR
CONSUMPTION
which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
