When found he was lying on his face with his arms stretched out on either side. He was found by a boy who was engaged in delivering groceries for some house in Easton, between 6 and 7 o'clock in the afternoon, and when found his body was still warm. Only about 20 minutes before he was out over the same road. Coroner D. Thomas come to his death from natural causes.

Mr. Schmolze was a native of Sand Eined Germany, and came to this country in 1850 He was about 68 years of age. His remains were taken to Craig's Meadow's and interred in St. Pauls' Cemetery on Sunday last, on which occasion the Rev. H. Daniel delivered an appropriate discourse.

Mr. Schmolze left this place on the 20th of May and went to Easton, and stopped at Bar. nett's Hotel, and remained there until the 30th when he paid his bill and left for Philadelphia. He returned to Easton on the 2d instant, and stopped again at Barnett's Hotel; and the next day remarked to the land-lord that he was going to return to Stroudsburg.

About a year ago Mr. S. left this place with the design of spending the remnant of his days at the place of his birth in Germany. But an absence of twenty odd years had so altered things in and around his old home that, on his arrival there he found himself a literal stranhood.
