stances shall they make an award unless the article be of superior merit, usefulness or inge-[Americam Agriculturist | nuity. And in no case shall a premium be diploma awarded for an inferior article or unsound REGULATIONS.

1. Persons wishing to exhibit are requested to make their entries of articles, with full description, on the Secretary's books, as early as possible on the first day of the Fair. No entries of articles for competition will be received after 12 o'clock on Wednesday, the second day of the Fair, accept in the class of

Speed. 2. Animals and articles entered for exhibition will have eards attached, with the number as entered on the Sceretary's book; and exhibitors should in all cases obtain their cards previous to placing their stock or articles on the Fair Grounds.

3. Persons exhibiting articles which they desire to have sold, will be furnished with cards announcing the fact that such article is

4. No animals or articles entered for exhibition can be taken away before the close of the Fair except by permission of the President, and no premium will be paid on animals or articles removed in violation of this rule. 5. All articles or animals offered for com-

petition must have been owned by the competitor at least thirty days before the Fair; and all fruits, vegetables and grain, must be the growthof the competitor. 6. Any article or animal which receives a distinct premium, cannot compete in a general

display, nor shall any one article receive more

than one premium. 7. For all stock exhibited, hay, straw and water will be furnished without charge; oats and corn will be supplied at market prices. 8. Any person entering horses, cattle, sheep or swine, for exhibition, without first consulting the Awarding committee (whose names will Class 15 --- Ladies' Work-Enbe furnished on application to the Secretary on the first day of the Fair) in regard to blood,

> not be recognized by the committee on such class, of which the Awarding Committee shalf be the proper judges. 9. All articles exhibited, whether entables or not, must be respected as private property; and any person detected purloining or injuring them will be dealt with according to law.

will do it at his own risk; and if said animals

are not entered in the proper class, they will

 All moneys awarded as premiums shall revert to the Society unless called for within 11. An efficient police will be on the Ground day and night, and the society will use all diligence to insure the safety of articles on exhibition, but in no instance will they be

responsible for loss or damage that may occur. Exhibitors are requested to take charge of their goods at the close of the Fair, and attend to their removal personally. Articles intended for exhibition will be

transported to and from the Depot free of JOHN DE YOUNG, President.

WM. S. Rees, Secretary.

How Pithole Rose and Fell. A correspondent of a Boston paper says: —"It is not only individuals who have suddealy increased in presperity and as suddealy gone down into nothingness; there are cities of which the same can be said. Such a one is Pithole City, Pa. Within one month from the completion of the first house, this city had a telegraph office and hotel, costing the owners \$10,000. In one month more there was a daily paper estallisded, and in the next a theatre, in another month another theatre, and then an academy of music. In six months there were seventy-four hotels and boarding houses; in the seventh month the city had reached its hightest prosperity. It then had about 15,000 people, elaborate water works, a city Persons who desire to do so, may select hall and an expensive city government. "Miss Leslie's Complete Cookery" instead of Then occurred the completion of that labor "Widdfield's," In this case they will please saving enterprise, the so-called Miller Farm Pipe line, by which the petroleum was sent off independent of the laboring people. At

ployment, while 2,000 houses became useless. This was the death-blow to Pithole. At once the hotels, the theatres and the telegraph office were closed, and the daily paper gave up its ghost, whilst almost very one packed up his trunk and moved out. Only nine families remain out of a population of 15,000 souls, while the railroad from Pithole and Oleopolis runs only Horses, Mules, Caitle, Sheep, and Swine, are one train a day, consisting of a locomotive requested to be particular in ascertaining the and a single car which usually is empty; blood of the different animals. In the class of but the company is obliged to keep running, otherwise the charter for the road would be lost. They still hope against hope for better times for that unfortunate 2.
