THURSDAY, SEPTEMBER 3, 1874.

Owing to the unwillingness of some of the eandidates to pay their bills after the election is over, it is hereby Resolved by the undersigned that from the date of the issue of this paper, all persons advertising their Cards as candidates for any office and having election tickets printed, will be required to pay for the same in advance.

THEO, SCHOCH, Pub. Jeffersonian. A. O. GREENWALD, pub. Democrat.

An important matter for Republicans to bear in mind is, that under the new State Constitution, any voter whose name is not registered by the 3d of September, cannot vote at the next election. Registra tion is a duty which should not be delayed.

As chief nominees at the funeral the convention selected the Hon. John Latta, of Westmoreland to represent the Lieut. Governorship, T. F. Temple of Waynesburg, Green county, for the Auditor Generalship, and Clen. Wilson McCandless of Philadelphia, the Sceretary of the Interiorship. Gen. McCandless has officiated as a mourner once before and knows how it is himself. Latta, Temple and McCandiess will be able to tell all about it after the November election. The dirge prepared for the occasion is made up of the usual Democratic generalities including wariff, specie payments, whiteman's governruent, &c. &c., to outsiders a source of amusement, but to the faithful subject of most solemn import.
