**MONROE COUNTY**  
Mutual Fire Insurance Company  
STROUDSBURG, PA.

**ESTABLISHED 1844.**  
CHARTER PERPETUAL.

The Laws of this Company, and regulations governing insurance have, recently been very materially changed, allowing a large equal to that of any Life Insurance Company in the State.

Important among these changes are the following:

- Policies, instead of being perpetual, are issued for five years.
- All property is classified and the rate of premium is fixed according to the risk of the property.
- Premium notes are taken, and all assessments are made in the notes.
- Property is insured for not more than two thirds of its actual cash value, and the full amount of insurance paid in case of loss, provided the loss be equal to the amount of insurance.
- Annual assessments only are made, except in cases of heavy loss, and where a special assessment is necessary.
- The Company is therefore prepared to insure property upon terms much more desirable than under the old system.

Applications may be made to any of the Managers, Surveyors, or Secretary.

**THE GREAT REMEDY FOR CONSUMPTION**  
which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
