

The Jeffersonian.

THURSDAY, DECEMBER 17, 1874.

THE CURRENCY TINKERS. Well, the currency tinkers have got to work again. Not heeding the lesson taught by the late election, they go on in the same stroy the party which gave them position, 7 P. M. and elevated them to the very point from which they turn around to cut its throat. A Gen. Butler's course no one feels surprised. Indeed long ago every body seemed to cease feeling surprised at anything be does. He is Gen. Butler; knows no body but Gen. Butler; and, doubtless, feels never certain that

it is Gen. Butler acting unless he is acting contrary to every body elses convictions. But at the course pursued by Judge Kelly there is no reason to feel not only surprise, but the deepest mortification. He was elected as a Stroudsburg Building and Loan Association, evening, by Beethoven Band. It was not them in their affliction. Republican, and re-elected again and again the following amounts of money was sold: only a serenade, but a grand banquet and and again. He was elected, too, to repre-\$800 at 32 per cent. premium, \$600 at 34 per jubilee and one of the most enjoyable occasent a constituency largely Republican, and cent. having views of finance eminently in accord with the President, and with that policy which points to honesty in the payment of ers but also to the holders of legal tenders, as the best means of preserving the nations few hereabouts to be easily spared. honor and securing its financial stability But Judge Kelly ignores all these, and moves in that phalanx of temporizers who would risk everything to boost up bankrupt credits, and prolong the life of a vitiated currency and of inflated values.

It is said that Judge Kelly is beside himself-that the pressure of his vanity has staghis treachery to his constituents, his party and examine them. and the best interests of his country! On what other ground found a reason for that murch to resumption by throwing in its way which, in whatever view you turn it, has 1874. All are cordially invited to attend. his 3:65 currency bond project; a project only the power to reduce national credit by of political imbecility is wrong-nor does it of him. furnish any other idea save that, in his madness, he has exhibited traits which, while can no longer claim, him nor do the Demo- ful. erats seem inclined to invite him into their ranks; and we can see no hope for him, unless he all andons his course or, manages to find his place in a close communion with his friend Butler, and, in the two, standing out in the cold discarded enthusiasts on a pilprimage to political destruction.

The measure upon which Judge Kelly bases his defection has not even the merit of plausibility for a foundation. His recent common sense business view of their effect thing good to eat. upon the country and its prosperity made there by congressman Phillips of New Jersey, apues, in the return to resumption of specie call. can ward of.

ENTOMBED ALIVE.

Horrible Tale of a Twelve Years Solitary Confinement in the Wilder-

A strange and horrible tale comes to us, in the Allentown Chronicle, of a man imsaw smoke pouring from the house. Terri- prisoned on the Blue Mountain in that secfied at this she ran to the spot and found the tion, within four brick walls about seven clothing of her eldest child, a girl, five years or eight feet high, bricked over the top and of age, completely enveloped in a flame which enclosing a space of six feet square, withof age, completely enveloped in a name which chicking a space or window. The discovery len L. Schoedler, aged 7 years, 4 months and she attempted to extinguish but did not out either door or window. The discovery len L. Schoedler, aged 7 years, 4 months and succeed until the child's body was fatally of his whereabouts was accidentally made burned. It appears a lighted lamp was left by a Mr. Edward Powell while out huntin the house and it is supposed that the ing. He says the man bricked up in that in life, is named Levi Handwerk, and that child suffered but very little pain but died in he has been imprisoned at that place for about six hours from the time of the acci- twelve years. It seems the father of Handwerk died and left his son \$4,000. He was We might moralize on the danger of leaving a lunatic, subject to fits of ungovernable kerosene lamps within the reach of children, rage, thereby endangering the lives of and point to this as a terrible example, but ten those about him. The mother of Handthousand deaths, at least, have been announ- werk married a second time and it was then ced, in the papers, as resulting in precisely a violent, raving madiman. Here, if the late residence at 10 o'clock A. M. Friends this way, and yet people, daily, go on tempdetails of this horrible story be true, he and relatives are invited to attend has wollowed in filth, his food passed through the small apperture made by leaving out a brick in the wall, exposed to the severity of the winter weather, crying, shricking and yelling, when the storms Dr. Lewis Bush was called in and rendered have swept over the mountain, and makevery assistance possible, but the dread deling night hideous with his frantic cries. stroyer had done its work and medical aid It seems incredible-impossible. Yet, Mr. Powell is sure of the brick dungeon and its inmate, and gives the story of the prisoner as it was given to him by the neighborssome of whom say that the last time he was

The motive for his confinement is that ran over his right foot, injuring the foot very he is not safe to be at large, and "if he had badly. He was taken to James Fenner's been sent to a lunatic asylum, the \$4,000 hotel where his wounds were attended to and would have been appropriated by the State to keep him.'

Certainly, this story demands investigation. It is dreadful, indeed, for a man to be deprived of reason-but to be bricked up in the woods, to be forever removed from every influence that might possibly beast in filth, to be perpetually in darkness and in solitude-it is a fate so horrible that humanity shudders at the thought of it, and we cannot but hope that the story here related and made known through Mr Powell may be exaggerated, if not untrue

On Monday Mr. Edward Powell, of Al-

lentown, the gentleman who first discovered Handwerk's situation, accompanied by is a CHARMING GIFT for Christmas and New Coroner Moser, Messrs. George Hersh and Year's.
