THURSDAY, MARCH 25, 1875.

JOHN MITCHELL.

John Mitchell one of the so-called patriots of Ireland died at Newry, Ireland, on Sun day morning, March 20th.

John Mitchell was born at Dungiven, County Derry, Ulster, in 1816. His father was a Unitarian clergyman, and he himself was intended for the church. His inclinawas honest in his efforts for Ireland, and tions, however, had no leanings that way, over his lack of sympathy for all the down and after graduating at Trinity College Dub-

During 1847, Mitchell wrote, spoke and lectured on national subjects of interest week and next. Don't fail to call and see to his people, and his lectures ou land tenures them. in Europe were not only extensively copied. but became standards as supports of his side Those wishing to secure a good bargain of the question, and rendered invaluable will do well to call at N. Ruster's, as he is services to the cause he had at heart.

In 1848 Mitchell left the nation, because of Gavan Duffy's opinion, who had already began to exhibit a weakness for honors under the Queen, that his writings were too "sedi- prices.

tious." He then, on the 12th of February, 1848, established, in association with Deven Reilly and Clarance Mangan the United Itishman, when, for some three months the English government stood such a fire as it had never before experienced. In fact matters became altogether too hot for English He left again for home on Saturday. H endurance, and, on the 13th of May, Mitchell looked well. was arrested on charge of felony, and sent to close confinement in Newgate. On the 26th of the same month he was brought to trial, and by means of a packed jury, was found guilty the same day, sentenced to a penal servitude of fourteen years, and at once hurried out of the country. he next met Smith O'Brien, Thomas Fran cia Meagher, Michael Dohaney and others, where after spending four years of "jail life' as he called it, he escaped to America, through the aid of his friend, Patrick J Smyth, now a member of Parliament from Westmeath. It was contended by the British government that he violated his parole of April. The Doctor has been practicing at of honor, but the facts do not warrant the Oakland and vicinity for some time and made assertion. He yielded up his ticket of leave quite a reputation for medical skill. which had been furnished him and at once mounted a horse in waiting and left.
