The last ascension was made at Chicago on Thursday afternoon last, since which time neither balloon nor its occupants have been heard from. 5 o'clock, it rose at an altitude of 5,000 Ace, both of Smithfield tsp., this county. feet into the current of a wind blowing 120 miles of water to traverse before a landing could be made, which would require about eight hours. When about in Samuel R. Walter, and Miss Julia P. Barry, the midst of the lake it is supposed that a both of Hamilton tsp., this county. hurricane, which had been gathering on the banks for some time, struck the balloon, dertroying it at once, leaving its unfortunate occupants at the merey of the

How the two men met their fate we shall probably never know. A tragic chorus sang their requiem in the roar of the thunder and the wail of the wind. Had there been a fitting inspiration of such an ending, their death would have been heroic. But wild as their enterprise was, nobody can think without a thrill of the two souls which passed away amid the crash and the ruin of that tempestuous midnight.
